Time and space are limited so please make every effort to make your practice time. After the coaches meetings and skills competitions the arena is closed and no other practice times are able to be offered. If you want to practice more as a team ASAA encourages you to reach out to a local school for some gym time.

Check in with Rus Schreckenghost when you arrive at the floor entrance at the arena. Congratulations again on earning a trip to the 2019 ASAA March Madness Alaska Basketball State Championship!
