Enter jersey numbers and indicate the student is a state qualifier. In addition, the State Championship Baseball Entry Form must be submitted. Both submissions are due by 2pm on Sunday. A copy of the submitted roster will be included in the coaches packet. Coaches must verify their official roster at the coaches meeting. Following the coaches meeting, NO CHANGES to roster personnel may be made. If jersey numbers change, coaches must notify scorekeepers and officials.

Passes: Each participating school will be issued passes for state championships, based on the following guidelines.

- **Coaches:** Only certified coaches listed on the schools wrestling eligibility list will receive a pass. Coaches must have on their person the pass while on the bench. If not the school will be fined \$25.

- Due to safety concerns it has been mandated by ASAA that only individuals of 7th grade school age or above may be on the sideline area during state championship games/matches, but only with a pass.
- Clean up your bench area after your matches/games. This includes cups, water bottles, trash, etc. ASAA security and staff will be inspecting the sidelines and locker rooms after each game. Fines, damage cost, and/or cleaning costs will be billed to the school.

All individuals must be wearing their pass or be in uniform. Coaches boxes may be occupied by a coach, player or eligible substitute. All coaches will be in proper uniform.

ASAA Adopted Baseball Supplemental Rules: These rules are in the 2022 ASAA Handbook page 111

- **Mercy Rule:** The game shall end when, the visiting team is behind 10 or more runs after 4.5 innings; or after the fifth if either team is 10 runs behind and have had an equal number of times at bat. The 15 Run Mercy Rule applies only for regular season games, not in the state championships.
- **Called Game:** When a non-league or league game is called by an umpire before the completion of the required number of innings, the game is declared a “no game”. The game can be replayed and the pitching rule shall apply.
- **Suspended Game:** A game called for any reason by an umpire after the required number of innings, where a winner cannot be determined (i.e. home team is behind and has not batted, or score is tied) will be treated as a suspended game. The game shall be continued from the point of suspension at a later time. The lineup and batting order of each team will remain exactly the same at moment of suspension. If a winner can be determined (both teams have equal at bats or home team is ahead) the team that is ahead will be considered the winner. If the game ends in a tie and the suspended game cannot be completed because of scheduling conflicts, the game is considered a tie game. At the state championships onsite ASAA staff and the Tournament Director shall determine when a suspended game will be completed.
- **Speed Up:** The courtesy runner speed-up rules may be adopted by leagues or districts for use during the regular season. In interleague and/or interdistrict competition, both teams must agree to allow the speed up rule before it may be used. Courtesy runner speed-up rules will be used in the state championship tournament. The following is a speed-up rule summary:
 - The team at bat may use courtesy runners for the pitcher and catcher as soon as they get on base. The same runner may not be used for both positions. Neither the pitcher nor catcher will be required to leave the game under such circumstances.
 - Players who have participated in the game in any other capacity are ineligible as courtesy runners.

- A player may not run as a courtesy runner for the pitcher or catcher and then as a runner or batter for another player in that inning.
- For illegal substitution of a courtesy runner, such substitution shall be disqualified for the duration of the game.

DII Saturday Consolation Games: The 4th/6th Place Game and the 3rd/5th Place Games on Saturday will have a two hour time limit.

Selection of Home/Visiting Teams: At the state championship coaches meeting, the ASAA Staff & Tournament Director will conduct a coin toss with the two coaches of each game to determine the home team for the quarterfinals. The team who is furthest away from the field will call the coin toss. Home team will have the first baseline dugout. Visiting team will be on the third baseline dugout. For other games, the coin toss will be done after BOTH teams are determined. The ASAA Staff and/or Tournament Director will conduct a coin toss once both teams are determined. If the Head Coach is not there for the coin toss the ASAA Staff will call them in order for them to be part of the coin toss via voice or FaceTime. However, if the Head Coach is not reachable the ASAA Staff or the Tournament Director will conduct the coin toss on their behalf.

After that period of time, if the team has not appeared and has not contacted ASAA, the game shall be recorded as a forfeit. A team arriving 0-15 minutes after their scheduled time of play will have a maximum of 5 minutes of warm up time.

Medical: Orthopedic Physicians of Anchorage (OPA) is the official ASAA State Championships Medical provider. They will be onsite during the entire championship tournament to help provide medical help for injuries. Each team must provide all their own materials and supplies - including tape - if athletes are going to be taped.

Concussion Information: ASAA's official concussion protocol supervision team is OPA. OPA will run their tests on

athletes with suspected concussions and if they conclude there is a suspected concussion, that player will not be able to return to play without going through the concussion return to play protocol. Team doctors, physicians, etc will not be able to over rule an OPA suspected concussion case, ASAA will be taking the OPA's conclusion. OPA Doctors will also be present during weigh-ins to conduct skin checks. If the OPA doctor finds a skin condition that could lead to a wrestler's disqualification, OPA will notify ASAA and the appropriate action will take place. OPA's findings as the official state championships medical provider will be the final decision. Team doctors and trainers are very important to teams and ASAA encourages them to be present. However, final medical decisions ASAA will go with OPA. [ASAA Concussion Management](#)
