Wrestling State Championship Facility Change

ASAA is very pleased to announce that the 2016, 2017, and 2018 123A/4A/Girls Wrestling State Championships have been moved to the Alaska Airlines Center. All three of the wrestling tournaments will be held in the main gym.

We are very excited that UAA, ASD, and the Alaska Airlines Center were all able to work together to make this possible for the next three years starting this year!

With all the tournaments in one location this will be great for all the teams, parents, coaches, and fans to watch a lot of great wrestling! ASAA would like to thank specifically UAA Basketball, ASD, and the Alaska Airlines Center who made this possible.
