AASG 2018 SPRING CONFERENCE April 26-28 | Tri Valley HS - Healy, AK

Our Spring 2018 Conference will be hosted by Tri-Valley School in Healy April 26-28, 2018. Conferences are an exciting opportunity for both the students that attend and the schools that host them.

Please go to the [conference page](#) on the AASG website for more information and the application forms to host our Fall 2017 or Fall 2018 AASG statewide conferences.

The 2017 Alaska Association of Student Governments Spring Conference was held March 20-22 at Thunder Mountain High School in Juneau, and everyone agrees it was a huge success! Nearly 300 students representing schools statewide attended the conference, which included a full interactive tour of the National Oceanic and Atmospheric Administration facility, workshops hosted by Alaska legislators, a visit to the capital to see the legislature in action, a performance from the school's production of *The Beauty and the Beast*, a presentation from Dr. Rosita Worl, President of the Sealaska Heritage Institute along with many fun and exciting social activities.

New AASG Executive Board members include President Hunter Carter from Bethel, Vice-president Kyle Hasse from Mat-Su Career Tech, Public Relations Officer RJ Roy from Kodiak, Secretary Alyssa Mandich from West Valley, Treasurer Kali Spencer from Eagle River, Parliamentarian Drake Fallais from Mat-Su Career Tech, and two new regional representatives – Klajvis Pellumbi from Bethel representing Region One and Kara Whitehead from Skagway representing Region Five. Congratulations and welcome to our new board members and their advisers.

ASAA365 Soccer Schedule/Results & New Soccer State Seeding

All schools that play soccer are HIGHLY ENCOURAGED to input your schools soccer schedule and results into ASAA365.com. The new soccer state seeding for this year requires ASAA staff and coaches to have information of teams records and results. For the soccer state championships this year the process is:

1. Immediately following the conference results on Saturday, ASAA will post the 8 teams that have qualified, including their season results.
2. All qualifying teams can rank the other qualifying teams, including their own team. This ranking must be sent to ASAA by the Sunday deadline of 6:00pm.
3. ASAA will tabulate those rankings, and those rankings will determine the first round pairings

Again please make sure to input your soccer schedule and results into ASAA365 so ASAA can have your season results. If you have questions on ASAA365 please contact Isaiah Vreeman (isaiah@asaa.org)
