- **Illustrator File (.AI or .EPS) - One of these is the preferred file type.**
- **Photoshop File (.PSD)**

School logos are VERY IMPORTANT for ASAA to have from its member schools. They are used to create state event graphics, team posters, publications, and other items.

The link below is to Isaiah Vreeman's drop box to see the inventory of school logos ASAA currently has. School AD's/Principals are able to download school logos that they could use for tournament/meet programs.
