

The Cliff Keen Athletic National Alliance Program

The Cliff Keen Athletic National Alliance Program was specifically designed for officials who work in quality and integrity oriented states, conferences, groups or associations that want to wear and own the finest quality officiating gear in the industry. Cliff Keen Athletic not only manufactures the highest quality officiating gear in the world, but is also the largest supplier of officiating gear in the world. Now this gear is available to National Alliance Program members at factory wholesale prices.

Every National Alliance Program member has the ability to get all of their state, conference, group or association officiating gear and clothing directly from Cliff Keen Athletic at the factory wholesale price. Along with that, the National Alliance Program also has the benefit of a 5% rebate program, applicable on every purchase, which goes directly back to the state, conference, group or association.

This program is by invitation only, is not open to the public and is only offered to those that come highly recommended to us by our constituents. This is a very straight forward program with no hidden agendas...there are no costs to be a member, no exclusivity requirements, no contracts, no minimums, no obligations and no catches. We at Cliff Keen Athletic felt that this program would be a tremendous way for us to give back to the incredible officiating community we have in this country.
