Amendment to Article 2 Section 2.A

Section 2 - Participation Rules

A student is eligible to participate in the interscholastic activities of only one member school per year, except as provided under the Transfer/Residency Rule (Section 9). That school shall be considered the School of Eligibility. To establish their initial ASAA “school of eligibility”, a student:

1. enrolled in enough courses to meet the current semester requirements at a member school, may only establish their “school of eligibility” at that school.
2. who is simultaneously enrolled (in enough courses to meet the current semester requirements) at more than one member school and who wishes to be eligible to participate in the interscholastic activities, must designate one of the members schools in which they are enrolled as the School of Eligibility.
3. who is simultaneously enrolled at one or more member schools (but not enrolled in enough courses to meet the current semester requirements at either member school), who wishes to be eligible to participate in the interscholastic activities of one of the member schools, must designate one of these member schools as the School of Eligibility.
4. who is simultaneously enrolled at one or more member schools (but not enrolled in enough courses to meet the current semester requirements at either member school) and an alternative education program, who wishes to be eligible to participate in the interscholastic activities of one of the member schools, must designate one of these member schools as the School of Eligibility.
5. or be enrolled in an alternative education program.

The School of Eligibility must ensure that the student meets all eligibility requirements before being permitted to participate.

A. To be eligible during a school semester for participation in interscholastic activities, a student must meet the following criteria:

1. Be properly registered in a 9-12 or 10-12 high school program or any combination thereof, at a member school where the student will participate or where authorized by a member district, be enrolled in the member district’s non-member school or program (including district correspondence), when such district is paying the student surcharge for that student or, in the case of students attending alternative education programs, be registered with their School of Eligibility, as described below.
