

EXTENSION OF COACHES CERTIFICATION REQUIREMENT

The ASAA Coaches' Education Program requires that all high school level coaches who have direct supervision of students be certified prior to the first competition. Coaches who actually supervise students may include head coaches and assistant coaches at all levels, as well as volunteer coaches and coaches of outsourced school programs. New coaches in the state of Alaska are required to show proof of taking and passing the NFHS courses or an equivalent certification program. The ASAA Executive Director may grant a one season extension of this certification requirement upon receiving an individual member schools' request. No coach may be granted more than one extension. Please use this form to request an extension.
