STATE CHAMPIONSHIP POLICIES

1. Championship Site/Date

A. The Board of Directors determines all state championship sites and dates. Most of the state championships are held in Southcentral Alaska for logistical and financial reasons. Occasionally, the Board entertains bids to host certain state tournaments in rural Alaska as it realizes the educational value which students may gain from experiencing visits to other parts of the state.

B. Regardless of the community size, championship sites must meet certain minimum criteria. Factors which are considered in awarding a tournament site include:

1. Transportation to and from the site that is dependable.
2. An excellent tournament facility that meets or exceeds tournament specifications including NFHS standards.
3. Adequate space for seating and parking for spectators.
4. A supportive group of volunteers willing to fill key roles in the management of the tournament.
5. Adequate communication infrastructure including internet access onsite.
6. Adequate facilities to house and feed expected participants, officials, ASAA staff, and fans.
7. An interested local fan base for that particular event.
8. Plans to encourage and promote the appreciation of other cultures.
9. Availability of medical services onsite and nearby throughout the tournament.
10. Willingness to work with ASAA Associate Directors to meet budget guidelines.

C. The Board of Directors has determined that, when feasible, state championship sites should be awarded on a 2-3 year basis. Basketball championship contracts are longer because of facility needs. The Board may also entertain a one year bid to host certain events in rural Alaska. Rural sites interested in hosting a state tournament are encouraged to contact ASAA to discuss the feasibility prior to submitting a bid for one year.

2. Soliciting Bids

ASAA will solicit bids for state championships by seeking proposals during the year that precedes the final year of a state championship site bid. Potential bidders will be given the bidding criteria and deadline for submittal of bids on the asaa.org website. The board will review all legitimate bids received by the established deadline and make a final determination of the successful bidder.

Following the awarding of a bid to host a state championship, an ASAA Associate Director will prepare a contract that specifies expectations of the host site as well as the commitment of ASAA staff. This contract will need to be signed and processed within 90 days. Failure to meet specifications within the signed document may result in a review and/or cancellation of the contract.

3. State Championship Berths

A. Allocations for team and individual sports: The Board of Directors shall allocate state championship berths on a fair and equitable basis using current information on participation numbers (number of teams/ individuals), past state championship results and anticipated future trends. In order to meet this goal, the Board has adopted the following procedure:

1. **EVEN YEARS:** Each school year that begins in an even year, the Board will review state championship berth allocations for these individual sports: Cross Country Running, Swim & Dive, Wrestling, Nordic Ski, Tennis and Track & Field.
2. **ODD YEARS:** Each school year which begins in an odd year, the Board will review state championship berth allocations for these team sports: Baseball, Basketball, Football, Hockey, Soccer, Softball, Volleyball.

Based on the above analysis at its February or April meeting, the Board may adjust berth allocations when it has been determined necessary.

B. Open State Championship Team Berths: The following policy clarifies a member school's obligation to fill state championship berths when qualified. It also specifies how ASAA will fill open berths to preserve the integrity of a championship.

1. Schools whose teams qualify for state championship berths should fulfill their obligation that their students will participate in those events.
2. If ASAA is notified that a team will not fill its berth at the state championship, the Association will make every attempt to fill the berth with another team from that conference.
3. If the conference is unable to provide another team to fill the vacant berth, then ASAA will attempt to fill the berth with another team from another conference. In this case, ASAA will have the final decision as to which team will be selected to fill the berth.

C. Open Individual Berths: The Regional/Conference shall submit to the ASAA office by the published deadline the meet results so ASAA can determine state qualifiers. Once the list of qualifiers is posted, the only changes will be scratches which must be submitted by the posted deadline. Deadlines for scratches can be found in the individual sports Policies and Procedures. ASAA will invite alternates to replace scratches from the list of qualifiers as authorized by the ASAA Board of Directors.

4. State Championship Code of Conduct

ASAA believes that co-curricular activities are an integral part of the educational program of a school. Each student enrolled in a member school should have an equal opportunity to participate in a broad number of activities based on his/her own talents and interests. It is the intent of ASAA to encourage participation in co-curricular activities.

Student participants are student ambassadors of their schools and communities. As such, ASAA expects them to portray good citizenship, practice fair and ethical behavior, and be good role models. To ensure the health, safety and rights of all participants in ASAA sponsored events, a Code of Conduct has been adopted by the Board of Directors for all ASAA State Championships.

Violation: Violation of the Code of Conduct will result in the removal of the student's right to participate in the event, as well as to attend the event. Any awards or team points received by that individual during the event shall be forfeited. Schools shall report all violations of the Code of Conduct to the Association in a

timely manner. Schools which report violations which were discovered “after the fact” will be shown leniency, including forgiveness of the Forfeiture Rule. Schools should hold their students to the same behavior standards during the state tournament series as they do at school.

Period of Applicability: The state tournament Code of Conduct for all state championship events (except football), is in affect from the beginning of the coaches meeting or from the beginning of the activity to the conclusion of the awards ceremony.

Football - Because football playoffs extend over multiple weeks students participating in the state football playoffs are subject to the “Code of Conduct”

1. during each day in which their school’s team competes in the playoffs, through the conclusion of the game if the team is eliminated, or
2. during each full day in which their school’s team competes and advances in the playoffs, and
3. during each day in which their school’s team competes in the championship game, through the completion of the game and awards ceremony.”

Schools must submit the signed Code of Conduct form found in the Tournament Forms section of this handbook prior to participation in the state championship event.

5. Championship Policies & Procedures

State Championship Policies and Procedures documents for all state championships will be available online at ASAA.org on the specific sport or activity page, under Coaches Information.

State Championship Policies and Procedures document will contain information pertinent to each respective championship, including dates, submission deadlines, berths, seeding information, schedule, structure, rules, pass information and much more. These are written collectively to the principal, athletic administrator, and respective coach of each school. If your team qualifies to a state championship your head coach and athletic director are required to review this document. It is the responsibility of the school and their coaching staff to review all information pertaining to each specific state championship.

All state championship events have deadlines to submit team pictures, rosters, team information, good sport nominations, and more. All of these can be submitted online. State championship specific deadlines are detailed in the specific state championship policies and procedures document, as well as in the activities section of this handbook.

6. State Championship Participation Fees

The Board of Directors has authorized the assessment of a participation fee for all state championships and festivals to be billed to the school.

All non-athletic events will be \$10 or \$20 per student participant with no maximum. See specific activity policies for amounts.

The fee for athletic teams will be \$10 per student participant with a maximum fee of \$150 for those teams of 15 or more participants. This applies to Baseball, Basketball, Football, Hockey, Soccer, Softball and Volleyball,

The fee for individual athletic events will be \$10 per student participant with no maximum. This applies to Basketball Cheer, Cross Country Running, Nordic Ski, Swim & Dive, Tennis, Track & Field and Wrestling.

7. State Championship Scheduling

When possible ASAA will adjust schedules to accommodate later times for host and local schools during first round contests. Adjustments will not be made in the bracket, only time scheduling.

8. Late Arrivals To State Championships

In state championships involving team competition, all teams should make every effort to arrive at the championship site before the coaches' meeting. This meeting is usually held on the evening prior to the start of the championship. If a team is unable to meet this time frame because of weather or transportation difficulties, or other unusual circumstances, the school must notify ASAA.

Prior to the Start of a Championship: If it appears that the team may not be able to arrive to compete in its scheduled first round contest because of weather, natural disaster, transportation breakdowns, etc, that contest will be rescheduled as the last of the the opening round.

If the team fails to arrive at the championship site for the first contest, that team will forfeit the contest. If the team fails to arrive at the championship site for the second round contest, the team will forfeit and will be out of the state championship.

After the championship event has started and all teams have checked in, and a team is late to a scheduled contest, the game may be delayed for a maximum of ten (10) minutes for arrival and warmups. Unless sport specific rule book details another procedure. After that time period has exhausted, if a team still has not arrived or is not ready to play, it will forfeit the contest.

Wrestling: In wrestling, a forfeit due to late arrival at the championship site because of weather or transportation problems shall not eliminate a contestant from further competition in the championship. The athlete will be placed in the consolation bracket. If a team is delayed due to weather or transportation problems and arrives after weigh-ins have occurred, these contestants shall be weighed by themselves upon arrival prior to their first match.

9. State Championship Officials

A. It is imperative that ASAA State championship events are officiated by experienced certified and highly competent individuals. It is also imperative to avoid utilizing any official with an apparent conflict of interest. This could include but not be limited to: employee of school, parent of a competitor, relative of a coach, former player of coach, alumni of school. This could result in an official being re-assigned to a different game or being substituted with another official. It is also the intent of ASAA that each Region/Conference should have the opportunity for representation by an Official from their respective geographical region at state tournaments. However, when qualified and/or competent officials cannot be obtained from one region or conference, those positions will be filled from other regions of the state.

B. **Certified Officials:** Officials working any state tournament must be certified by an established cut-off date (one month from the first practice day). Certified is defined as being "registered in Alaska with ASAA and having passed the required NFHS sport specific exam."

C. **Officials Nominations:** An Officials Selection Ballot Form is included in the Forms Section of this Handbook. It is intended to help facilitate nominating by coaches, school representatives and Official's Associations. In situations where no nominations are received from a specific Region/Conference by the deadline, those official's positions will be filled from other Regions/Conferences. In sports in which more than one Championship occurs (Football, Volleyball, Wrestling, etc.) a nomination at any level qualifies that Official to be eligible for any/all levels.

D. Officials Nomination Deadlines: Absolute deadline for submitting nominations to ASAA shall be four weeks prior to the start of the State Championship. Officials will be selected and contacted no later than three weeks before the Championship.

F. Budget Considerations: The ASAA Board of Directors determines State Championship Official fees annually during the April Board meeting for the following year. Specific state tournament budgets for travel expenses will always play a role in determining the number of officials that will be used from geographical areas other than local officials from the site of the tournament. ASAA will provide Air Travel, Hotel (shared) and game checks for all Officials. ASAA will not rent or reserve rental cars for Officials but will reimburse up to a maximum of \$45 daily per car (receipts required). Some sports ASAA will not be able to schedule practice time, if this is the case, teams will have to arrange their own practice site and time.

11. State Championship Rosters

A. ASAA has established maximum roster size limits for state tournament competition. See Article 7 Section 10 or the Activity Specific Policies & Procedures.

B. Team Sports

Once a team has qualified for the state championships, athletes on that team may be substituted up until the end of the coaches meeting. The official roster is submitted to ASAA at the coaches meeting. Once the official roster is submitted, there may be no substitutions. A. Coaches: To qualify for a Coach's pass. the coach must have successfully completed the Alaska Coaches Education Program (Article 10, Section 1), be listed in the School Activities Reporting System and been part of the program all season. The bench/sideline numbers will not increase regardless of the number of passes issued. Coaches must wear or have on their person, their pass while on the bench or sideline. If not, the school will be fined \$25.

Not all passes will allow bench access and the bench/sideline numbers will not increase regardless of extra passes issued. Review the sport specific policies and procedures for the bench size. When having to purchase extra passes, the teams can pay cash, or ASAA can bill the school ONLY with approval from the administration.

E. Adult Medical Passes: Schools medical team members must check in with ASAA staff or ASAA Medical Staff at the state championship site prior to competition to receive a medical pass.

All passes are non-transferable and will be confiscated if used fraudulently. Coach and Administrative passes allow access to State Championship Hospitality Room when available.

13. Tickets

Ticket prices for each championship and championship session vary according to the type of event. Some events have all day prices while others will have admission by session. Ticket pricing is determined by the expenses incurred for that tournament which include officials fees, transportation, housing, awards, facility rental, hospitality expenses, supplies, and tournament staff. Tournament staff may include tournament/meet director, timers, scorekeepers, floor or field staff, security and gate workers.

State championships are formatted in a variety of ways based on the sport and the facility. When action is non-stop all day, full day prices may be charged, when there is a definite break in the day's activities, separate sessions prices may occur.

19. Halftime Entertainment

Many ASAA State Championships have halftimes or large breaks between contests. During those times ASAA likes to arrange for “halftime entertainment” which is above and beyond the school team sideline cheer squads. ASAA uses the following hierarchy to determine what groups/individuals should be scheduled for a halftime.

1. High School groups whose school is involved in the game being played or championship
2. High School groups

3. Jr. High and Elementary School groups
4. Student Groups not affiliated with a specific school
5. Outside groups that are not contrary to ASAA sanctioned activities or groups

For large events halftimes are planned out months in advance of the event. Therefore, high school groups, that are not sideline cheer teams, are not able to necessarily preform at a halftime of their schools game. ASAA reserves the right to schedule any ASAA promotional/sponsor halftime entertainment during any halftime at an event.

20. Medical Policy

A. Chain of Command: ASAA has established a medical “chain of command” for state tournaments. Medical decisions, including the evaluation of student participants for suspected concussions, will be made by the following medically trained individuals in the order listed below, in consultation with on-site ASAA staff. As interpreted by ASAA, “Athletic Trainer” means a Certified Athletic Trainer.

As interpreted by ASAA, “Qualified person” means either:

1. A health care provider licensed in Alaska, or exempt from licensure under Alaska law (AS 08.64.370(1), (2), or (4)), or
2. a person acting at the direction and under the supervision of a physician licensed in Alaska, or exempt from licensure.

As interpreted by ASAA, “Trained” means that the provider

1. Has completed the online CDC Concussion Course for Clinicians in the last two years (<http://www.preventingconcussions.org>) AND
2. At least one of the following;
 - a. completed 2 hours of CME in Sports Concussion Management in the last 2 years
 - b. completed a 1 year Sports Medicine Fellowship
 - c. has a Certificate of Added Qualifications in Sports Medicine
 - d. Residency in Neurology or Neurosurgery.

The coach of a student who has been removed from play for suspicion of concussion will be notified by an on-site ASAA staff member that the student will be ineligible for the remainder of that game.

The State Tournament Medical Provider or an on-site ASAA staff member will provide a copy of the ASAA Healthcare Provider Release for Student Athlete with Suspected or Actual Concussion form to the student’s parent/guardian and/or coach. This form includes the Return to Play (RTP) protocol that must be followed by a concussed athlete if he or she is to return to competition.

21. Spectator Support Items / Artificial Noise Makers

ASAA prohibits laser pointers, whistles, and any explosive devices or explosive sounds at ALL of its state championship events.

A. OUTDOOR CHAMPIONSHIPS: Thunder-sticks and other artificial noise makers are allowed only when the game/contest is not in play, or deemed not to be a hindrance to the spectator experience by ASAA staff on site. However, if the host school district policies are in conflict to this, ASAA will enforce their policies at those school venues. NFHS rules may restrict other items.

B. INDOOR CHAMPIONSHIPS: Thunder-sticks and other artificial noise makers are NOT allowed at indoor championships. However, if deemed by ASAA staff during a championship these are not a hindrance to the spectator experience, or against host school district policies, they will be allowed only when the game/contest is not in play. NFHS rules may restrict other items.

22. Event Supervision

Each participating school will be requested to identify an administrator or other person approved in advance by the principal who is responsible for the conduct of its coaches, participants and fans throughout the contest, as defined in the ASAA bylaws Article 6, Section 4.
