C. INDIVIDUAL NON-SCHOOL PARTICIPATION

D. RULES

1. National Federation of High School (NFHS) Wrestling rules apply.
2. Girls may weigh in, in front of a female representative of each school.
3. ASAA has not adopted the NFHS Weight Control Program.
4. To consistently interpret forfeits in terms of an individual's won/loss record, as those records count toward seeding and at-large considerations the Board of Directors adopted the Wrestlers Match Record Recording Procedure found on the ASAA website wrestling coaches page.

E. CONFERENCES

All teams are assigned to conferences (See Wrestling Conferences). Conferences are responsible for setting their own bylaws and policies. A contact person must be selected to communicate conference information with ASAA. (i.e. State qualifiers, tournament results, final seeds)

F. MAXIMUM MATCHES

A maximum of 24 individual weigh-ins, exclusive of forfeits by opponents, exclusive of district or regional tournaments.

G. REGULAR SEASON

2. If a team is delayed due to weather or transportation problems and arrives after weigh-ins have occurred, these contestants shall be weighed by themselves upon arrival prior to their first match.
3. Girls may wrestle either girls or boys during the regular season. Girls may only wrestle other girls during conference qualifying tournaments and the state tournament.

H. TAKEDOWN TOURNAMENTS

All wrestlers must have five (5) separate days of practice prior to the day of the tournament. Matches are determined either by a specified number of takedowns or a time limit. A wrestler may participate in only one takedown tournament each season which does not count as a match against the twenty-four (24) weigh-in limit.

I. WRESTLING WEIGHT CERTIFICATION

All wrestlers weight certification must be completed and filed with ASAA prior to their first competition. A wrestler must have the lowest weight class in which they may wrestle determined within 60 calendar days prior to the first team competition of the season. Certification at a lower weight during the season is prohibited. After the first 30 days of the season, a wrestler may not weigh in and wrestle at more than one weight class above the weight of certification without recertifying at a higher weight. Certification should be done before practice begins by a physician, physician assistant, advanced nurse practitioner or doctor of chiropractic. A student starting wrestling after the start of the season must have their minimum weight determined before the first competition.

J. WEIGH-IN PROCEDURES

1. An official weigh-in can only occur at an interscholastic competition involving at least two member schools.
2. An athlete from a member school can only receive an official weigh-in at an event involving two member schools competing in that gender for the event the weigh-in occurs
3. Each wrestler is required to have at least one-half of their weigh-ins during the season at the minimum weight they will wrestle during the state tournament.
4. It is recommended that all weigh-ins during the regular season follow the state procedure; Wrestlers will weigh-in in an authorized uniform with undergarments.

3. QUALIFYING FOR STATE

4. STATE CHAMPIONSHIP FORMAT

a. Type of Elimination

There are 3 separate tournaments Boys Division I, Boys Division II and Girls. Each tournament is a 16 person bracket with consolation rounds. Every attempt will be made to fill each slot on the bracket. Crossover will occur after the first round of matches.

b. Scoring

The top 6 finishers in each weight class will score bonus points toward team points.

c. Conference Berths (See Wrestling Conferences)

At-Large berths will be selected using Trackwrestling and the State Seeding Criteria.

d. Scratches and Alternates: In the event a qualified contestant is unable to compete due to extenuating circumstances (illness, injury, and ineligibility), it is the responsibility of the school of the indisposed contestant(s) to notify ASAA, by the deadline. Once notified ASAA will invite the next athlete using Track Wrestling and the State Seeding Criteria. After the deadline, if someone is not able to compete, that spot will not be filled. This substitution must be an ASAA eligible contestant.

e. State Brackets Procedures

1. Automatically move up seeds and redraw the bracket if a seeded wrestler does not make weight, etc, or if there are uneven "byes" in the bracket.
2. Automatically award "pin points" for wrestlers wrestling a teammate in the state tournament.

f. Weigh-In Procedures: All wrestlers will weigh-in in an authorized uniform with undergarments.

5. SEEDING QUALIFICATIONS

The following is the criteria for state qualified wrestlers to be seeded:

- a. Up to 6 wrestlers per weight class will be seeded using the Trackwrestling system. All other qualifiers will be randomly drawn in.
- b. D I wrestlers must have a 51% or higher winning percentage. D II wrestlers must have a 40% or higher winning percentage. Girls have no minimal percentage.
- c. Wrestler must have wrestled at least 8 varsity matches.
- d. All matches must have been entered into Track Wrestling, including dual and tournament matches.
- e. Matches must have been designated as either Varsity or Junior Varsity.

6. SEEDING PROCESS

The Trackwrestling round robin algorithm goes through each wrestler to compare that wrestler to every other seedable wrestler in that weight class. When comparing the wrestlers, it goes through the criteria in order. If one wrestler is better than the other based on the criteria, that wrestler receives a point, otherwise it goes to the next criteria. If all criteria is exhausted, each wrestler receives ½ point. Once every wrestler is compared to every other wrestler, the wrestlers are sorted by the points they accumulated during that process. If two wrestlers are tied on points, it goes to the head to head comparison between those two wrestlers. If more than two are tied based on points, it sorts them by the criteria until they are separated or a two-way tie occurs at which point the head to head comparison is used. If two wrestlers remain tied after a head to head comparison, there will be a coin toss at the ASAA office to break the tie.

Coaches will continue to utilize Trackwrestling to enter regular season and conference results. After the conference tournaments and scratch deadline, ASAA will release the seeds as determined by Trackwrestling's running the ASAA Seeding criteria. ASAA will post those results and the seeding report online by 8:00 PM Tuesday.

Coaches have until 8:00 AM Thursday to notify ASAA of issues with the seeds. A committee composed of knowledgeable wrestling people will then review all the seeds, and those that coaches have questioned. This committee will have the authority to re-seed the tournament. Those coaches failing to utilize Track Wrestling properly will be issued a warning. If a "warned" coach makes the same mistake in future years, then the school is fined \$250.

7. SEEDING CRITERIA

The following national criteria was adopted by the Board of Directors.

- a. Head to head – strictly head to head record
- b. Record Against Common Opponents – based on winning percentage against an individual common opponent.
- c. Previous State Champion or Runner Up – first or second place from the previous year, state champion first – then runner up.
- d. Overall Varsity Record – overall winning percentage for varsity matches only.
- e. Varsity Record at Weight – minimum of 4 matches at state tournament weight class.
- f. Winning Percentage against seedable wrestlers

M. “MINIMUM WEIGHT” WEIGH-IN POLICY AND INTERPRETATION

1. Interpretation of State Tournament Weight Class

Each wrestler is required to have at least one-half of his/her weigh-ins during the season at the minimum weight he/she will wrestle during the state tournament series.

2. Interpretation of “Minimum Weight”

After certification, a wrestler may not weigh-in and wrestle at more than one weight class above the weight of certification without recertifying at a higher weight.

NFHS Rule 4, sec. 4, art. 2 “A contestant shall not wrestle more than one weight class above that class for which the actual weight, at the time of weigh-in, qualifies the competitor.

NFHS Rule 4, sec. 5, art. 8 “Any contestant failing to make weight during the weigh-in period shall be ineligible for that weight class. That contestant may weigh-in at a higher weight class.”

Question #1: A wrestler, certified at 125 pounds, has 75% of his/her weigh-ins at the 125 pound weight class during the majority of the season. He/she chooses to go up a weight class and 25% of his/her weigh-ins are at the 130 pound weight class for the remainder of the regular season. What weight class can this wrestler compete in legally at the State Tournament?

Answer #1: The wrestler may wrestle at the 125 weight class and no lower; or at 130 or 135 pound weight class provided he/she abides by NF Rule 4-4-2, which states that a contestant shall not wrestle more than one weight class above the class for which the actual weight, at the time of weigh-in, qualifies. This wrestler could legally wrestle at 125 pounds because of the “one-half rule” or at a higher weight class without regard to the “one-half rule.”

Question #2 : A wrestler, certified at 125 pounds, weighs in and makes weight for the 130 pound weight class. What weight class can this wrestler compete in legally and how does it effect his/her weight certification?

Answer #2: The wrestler may wrestle at the 130 or 135 pound weight class This has no effect on the wrestler’s weight certification.

Question #3: A wrestler, certified at 125 pounds, weighs in and makes weight for the 135 pound weight class. What weight class can this wrestler compete legally and how does it effect his/her weight certification?

Answer #3: The wrestler may wrestle at the 135 or 140 pound weight class. The wrestler would automatically be recertified at 130 pounds (one weight class below that which he/she weighed in.)

3. Interpretation of “one-half of that wrestler’s weigh-ins”

Only actual certified weigh-ins will count toward the one-half rule, not number of matches wrestled.

Example: A wrestler participates in a 2-day tournament on Friday and Saturday. He/she weighs-in both on Friday and on Saturday for a total of two weigh-ins. He/she wrestles a total of four matches during the tournament. This wrestler may count only the two individual weigh-ins toward the “one-half rule.” Conference tournaments count toward the “one-half rule”.

N. RINGWORM POLICY

In the past ringworm infection among Alaska high school wrestling teams has been a problem. To help schools, coaches and officials in dealing with this problem, ASAA has officially adopted the following position based on two primary sources of authority; the National Federation Wrestling Rule Book and the State of Alaska, Department of Health and Social Services, Division of Public Health, Section Epidemiology.

1. The NFHS Wrestling Rule Book in Rule 4-2-3, addresses this issue and allows the student’s coach to provide written documentation from “an appropriate health-care professional” stating that the suspected disease or condition is not communicable and that the athlete’s participation would not be harmful to his opponent. This document shall be furnished at the weigh-in or upon arrival at the site of the dual meet or tournament. Covering a communicable condition shall not be considered acceptable and does not make the wrestler eligible to participate.” For purposes of this rule, ASAA has defined “an appropriate health-care professional” as a medical doctor or physician and requires the written documentation to be on the ASAA RELEASE FOR WRESTLER TO PARTICIPATE WITH SKIN LESIONS form.
2. State of Alaska, Department of Health and Social Services, Division of Public Health, Section of Epidemiology (907-269-8000) Recommendations
 - a. Coaches should examine their wrestlers for the development of any ringworm-like rash. Any identified wrestler should be referred to the school nurse or other health care provider for further evaluation.
 - b. A qualified trainer or health care provider familiar with the appearance of ringworm should be appointed as medical officer for each competition or tournament. All wrestlers should be examined on the day of competition by the medical officer. The medical officer’s determination is final and not subject to appeal.
 - c. Wrestlers with ringworm can continue to train with the team in activities that do not have body contact, e.g., weight training, aerobic conditioning.
 - d. Wrestlers can resume training involving body contact and wrestling competition only when the ringworm lesions have completely healed.
 - e. Wrestlers with ringworm should continue treatment for a minimum of 4 weeks.

- f. Wrestlers should shower thoroughly with soap and water immediately after each practice and tournament.
- g. Wrestling mats should be routinely cleaned.
- h. Disqualified wrestlers should be provided with an information sheet to take home and to their health care provider.
