May 24 - 25, 2024

2. SITE & HOST

Dimond High School, Anchorage
Hosted by ASAA & Dimond High School

3. STATE CHAMPIONSHIP FORMAT

a. Qualifying Format

- Regions can host meets for both classifications. After all automatic qualifiers are determined, all other results are placed in a pool for selection.
- There will be two state meets held jointly for the Division I and II classifications.
- Division I and II State Meets will consist of prelims and finals in each event except for the 1600, 3200, and relay events.

b. Division I Individual & Relay Berths

The top finisher from the finals from Regions 3,4,5,6 will qualify for the state championship. In addition, the next 12 statewide best track times from the finals and the 12 statewide best field distances from the preliminary and the finals will qualify. The top relay team from the finals from Regions 3,4,5,6 plus the next four best statewide times from finals will qualify for the finals at the State Championship.

c. Division II Individual and Relay Berths

The top finisher from the finals from Regions 2,3,5,6 will qualify for the state championship. In addition, the next 12 statewide best track times from the finals and the 12 statewide best field distances from the preliminary and the finals will qualify. The top relay team from the finals from Regions 2,3,5,6 plus the next four best statewide times from finals will qualify for the finals at the State Championship. (NOTE: Region 1 will notify ASAA at least 30 days prior if there is an automatic qualifier. If so, then the next 11 statewide best times or distances will be invited to state.)

d. Unified Individual and Relay Berths

Athletes must qualify through a region meet. Automatic qualifiers will be the top mark from each region. ASAA will use the remaining marks as possible at-large qualifiers up to a maximum of 8 entrants.

e. Adaptive Athletes: Each school may bring up to four (4) adaptive athletes. They can compete in field events, the 800, 1600 and 3200 meters.

f. Ties: Ties for the last qualifying position will be invited to State Track & Field meet. These ties will be invited as long as the integrity and impact on the event and other athletes is minimal. Ties for the last qualifying position will be evaluated on a case-by-case basis.

g. High Jump: All At-Large High Jump qualifiers must have jumped, at their Region Meet, the starting height of the state championship to qualify.

h. Scratches and Substitutions: Should the first place winner decide not to attend the state meet, that position cannot be transferred to the second place finisher in that region. In the event a qualified contestant is unable to compete due to extenuating circumstances (illness, injury, and ineligibility), it is the responsibility of the school of the indisposed contestant(s) to notify ASAA, by the deadline. Once notified ASAA will invite the next athlete with the best qualifying time. After the deadline, if someone is not able to compete, that spot will not be filled. This substitution must be an ASAA eligible contestant.

4. PROCEDURES FOR STATE ENTIREES

a. All conference meets are required to utilize Athletic.net with each division having its own file.

b. ASAA will post the top 16 qualifiers and up to three alternates on the Monday morning prior to the State Event.

c. All qualified participants are automatically entered. Alternates will be automatically entered as scratches occur.

d. Coaches need to decline those qualifiers not attending the state meet by Wednesday 6:00 PM. To decline, the school will need to unregister the entry on athletic.net. Once a coach has unregistered an athlete they may not reregister them.

e. If there is a declared scratch at the Coach's Meeting, ASAA will invite the next available alternate that is already qualified into the meet in another event.
