3. CHAMPIONSHIP RACE FORMAT

a. State Qualifying

The ASAA Nordic Ski Championship is a single classification event in which all schools are entered and compete together. All schools that have programs are invited to send one Nordic Ski team of six individuals and one Girls Nordic Ski team of six individuals. Schools can send less than a complete team if they wish. Schools may also send up to four adaptive skiers. They must notify ASAA by February 3, 2024 if they are bringing a Paralympic or a Sit skier. Team members will be selected by the head coach with no specific qualifying criteria other than normal ASAA eligibility rules.

b. Competition

The state championships are held over a three day period with one race for Nordic Ski and Girls Nordic Ski teams each day. Races include two individual competitions and one relay competition. The style of races (classic or free) will alternate each year.

c. Race Order Schedule

ODD YEARS:

- Day 1: Individual Classic Race (5K)
- Day 2: Mass Start Freestyle Race (7.5K)
- Day 3: Team Relays (4 x 3K)

EVEN YEARS:

- Day 1: Individual Freestyle Race (5K)
- Day 2: Mass Start Classic Race (7.5K)
- Day 3: Team Relays (4 x 3K)

4. SEEDING PROCEDURE

There will be 6 seed groups for each individual race. Only one skier per team may be placed in each group. The head coach will assign each skier to a group. The start order for the groups will be in numerical order. The group number does not indicate a skier's ability level. If the coach prefers the best skier to ski last, then that skier should be entered in group #6.

Start positions for the mass starts will be determined by the results of the individual races. Start positions for the relay will be assigned based upon the team rankings after the first two days' events.
