D. RULES

1. National Federation of High School (NFHS) Softball rules apply.
2. ASAA Supplemental Rules
 - a. Mercy Rule: The game shall end when either team is 15 runs behind after three innings, 12 runs behind after four innings, or eight runs behind after five innings.
 - b. Called Game: When a game is called by an umpire before the completion of the required number of innings, the game is declared a "no game". The game can be replayed.
 - c. Suspended Game: A game called for any reason by an umpire after the required number of innings, where a winner cannot be determined (i.e. home team is behind and has not batted or score is tied) will be treated as a suspended game. The game shall continue from the point of suspension at a later time. The lineup and the batting order of each team will remain exactly the same as when the game was suspended. If a winner can be determined (both teams have equal at-bats or home team is ahead) the team that is ahead is declared the winner. If the game ends in a tie and the suspended game cannot be completed because of scheduling conflicts the game is considered a tie game.
 - d. Tie Breaker: If, after the completion of seven innings of play, the score is tied, the following tie-breaker rule will be played to determine a winning team. Starting with the top of the eighth inning, and each half inning thereafter, the offensive team shall begin its turn at bat with the player who is scheduled to bat last in that respective half inning being placed on second base (if the number five batter is the lead off batter, the number four batter in the line up will be placed on second base). A substitute may be inserted for the runner.

E. CONFERENCES

All teams are assigned to conferences (See Softball Conferences). Conferences are responsible for setting their own bylaws and policies. A contact person must be selected to communicate conference information with ASAA. (i.e. State qualifiers, tournament results, final seeds)

F. MAXIMUM GAMES

A team may play 22 regular season games exclusive of conference or state championships. Additional games may be played under the Endowment Game guidelines.

Invitational Tournaments and “Pool Play” Tournaments: Each team is permitted to attend tournaments during the regular season. When playing in a Pool Play tournament, each day will only count as 1 game towards the 22-match game limit. A Pool Play tournament is defined as a tournament with games limited to no more than 65 minutes (allowing the teams to finish the inning). The mercy rule will be in effect in both invitational and pool play tournaments.

G. ENDOWMENT GAMES

ASAA encourages each school's team sports to play Endowment Games during the season above and beyond the 22 game/match limit. Additional Endowment Games may be played each season. (Bylaw, Article 7, Section 9) School teams may play Endowment Games at any time during the regular season, beginning with the date of the first contest and extending to the start of the conference tournament. Endowment Games do count in a team's overall season record for at large and seeding purposes.

Schools wishing to host Endowment Games must apply in writing to ASAA by submitting the “Endowment Game Application Form” no later than one week prior to the game. Under no circumstances may an Endowment Game be played until this form has been signed by ASAA and returned to the participating schools. ASAA will invoice the responsible school \$100 for each game.

H. JAMBOREE REGULATIONS

All players must have five (5) separate days of practice prior to the first day of the Jamboree. It shall include three (3) or more teams. A team is limited to no more than six (6) innings total with no more than two (2) innings against any other team. A team may only play in one jamboree each season. A jamboree does not count as a game against the 22 game limit.
