We believe in Alaska’s future

Challenges abound as we look to Alaska’s future. By taking part in Alaska School Activities Association events, the state’s youth prepare themselves for the opportunities that lie ahead.

For 27 years, First National Bank Alaska has proudly served as ASAA’s Title Sponsor to help support 30,000 high school student athletes and activity participants statewide.

From higher grades and better attendance, to fewer dropouts and higher graduation rates, the value of sports and activities is clear. Together, we are giving our all for a brighter tomorrow.

We believe in Alaska. We believe in you.
Welcome

On behalf of the Alaska School Activities Association (ASAA) Board of Directors and ASAA’s corporate partners, welcome to the 2016 ASAA/First National Bank Alaska 3A/4A Volleyball State Championships! To the student-athletes, we applaud your dedication to doing your best for yourself and for your school. To the coaches, counselors and parents, thank you for continuing to support interscholastic sports and activities. And to the spectators, we appreciate your being part of this statewide championship event.

Billy Strickland, Executive Director
Alaska School Activities Association

Sportmanship Creed

"This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN----NOT A FANATIC."

Teamwork provides perfect backdrop for family working together in Alaska

The Shreeve Family knows the importance of teamwork. We’re not just related, we are also coworkers at Denali Princess Wilderness Lodge. Knowing how to best support my team, whether we’re at home, work, or on the field is a skill I learned while participating in Ketchikan High School’s football and basketball programs.

Just as important as supporting my teammates on the field was watching my dad support me from the sidelines. One time he drove all the way from the Lodge to Delta Junction just to watch me play in an away game. ASAA builds valuable skills and camaraderie between players and families alike.

The Shreeves are proud to work for a company who sponsors the Alaska School Activities Association (ASAA), providing today’s young Alaskans with 34 sports and activities to enrich their lives and ensure Alaska’s future. We can’t wait for the next generation to start participating!

PRINCESS CRUISES
come back new
State Volleyball had its start as the “Western Alaska Girls Volleyball Tournament” in 1971. Only eight teams attended the first two years. In 1973, the tournament expanded to twelve teams and was hosted by Dimond. Teams were seeded at random because of the different number of games played prior to the tournament. The first ASAA sanctioned State Tournament was held sometime after 1973. Until 1980, the matches were best two out of three.

Starting with the 1985 season, ASAA created separate divisions for the smaller sized schools. Those with enrollments 100-400 now competed for their own championship, while schools below 100 had their own tournament. This changed again in 1987-88 when all schools below 400 competed for one championship. In 1991, both championships were held at the same site for the first time—Bartlett High School—and Lee Johnson was the tournament director.

Volleyball in Alaska increased in popularity over the next 8 years resulting in a major change.

For the 1997-98 season, schools in Regions 1 and 2 were grouped into a classification known as 1A-2A. 3A Schools in the North and Western part of Alaska also joined this division as the season was more conducive to their school year and backhaul with wrestling. In addition, a number of small schools who could not field a full girls team began competing coed in a classification known as “Mixed Six”. The coed division began with only four teams qualifying to the state tournament and Golovin winning the Championship. By 2002, the popularity of this new format increased to the point that eight teams qualified out of six conferences.

In 2009, all the 3A-West schools returned to the early fall schedule leaving the 1A/2A schools with the Mixed Six schools. Presently, the 3A and 4A schools season starts in early August and ends in mid-November. The 1A and 2A and Mixed Six Division start in late September and finish in early December.
We believe in the power of strong teamwork. Congratulations to all the teams on making it to the state championships.

Alaska Airlines is proud to support all the hard-working athletes, coaches and families participating in the 2016 ASAA/First National Bank Alaska 3A/4A Volleyball State Championships. Good luck.
