We believe in Alaska’s future

Challenges abound as we look to Alaska’s future. By taking part in Alaska School Activities Association events, the state’s youth prepare themselves for the opportunities that lie ahead.

For more than 25 years, First National Bank Alaska has proudly served as ASAA’s Title Sponsor to help support 30,000 high school student athletes and activity participants statewide.

From higher grades and better attendance, to fewer dropouts and higher graduation rates, the value of sports and activities is clear. Together, we are giving our all for a brighter tomorrow.

We believe in Alaska. We believe in you.
Welcome

On behalf of the Alaska School Activities Association (ASAA) Board of Directors and ASAA’s corporate partners, welcome to the ASAA/First National Bank Alaska 2016 Tennis State Championships! To the student-athletes, we applaud your dedication to doing your best for yourself and for your school. To the coaches, counselors and parents, thank you for continuing to support interscholastic sports and activities. And to the spectators, we appreciate your being part of this statewide championship event.

Teamwork provides perfect backdrop for family working together in Alaska

DENALI PRINCESS WILDERNESS LODGE

The Shreeve Family knows the importance of teamwork. We’re not just related, we are also coworkers at Denali Princess Wilderness Lodge. Knowing how to best support my team, whether we’re at home, work, or on the field is a skill I learned while participating in Ketchikan High School’s football and basketball programs.

Just as important as supporting my teammates on the field was watching my dad support me from the sidelines. One time he drove all the way from the Lodge to Delta Junction just to watch me play in an away game. ASAA builds valuable skills and camaraderie between players and families alike.

The Shreeves are proud to work for a company who sponsors the Alaska School Activities Association (ASAA), providing today’s young Alaskans with 34 sports and activities to enrich their lives and ensure Alaska’s future. We can’t wait for the next generation to start participating!

ASAA/First National Bank Alaska Tennis State Championships 27
History of Tennis in Alaska

Tennis became a high school sanctioned sport in Alaska in 1974. At that time only schools from the Anchorage School District played tennis. Soon after schools from Fairbanks, Mat Su Valley, and Juneau added teams. Currently Regions 3, 4, 5 and 6 have teams that qualify for the state tournament.

In the fall of 2006 a meeting of tennis coordinators from around the state was held where the preliminary plans for a state tournament were made. In the spring of 2006 the ASAA Board of Directors approved the first state tournament for Tennis to be held in the fall of 2007.

Since 2007 the state tournament has been held in Anchorage at the Alaska Club during the first two weeks of October. There are five divisions, boys singles, girls singles, boys doubles, girls doubles, and mixed doubles. For many years any member school could participate in the tournament. The format has evolved to a single elimination, with consolation eight entry bracket. Schools must qualify through their regions.

A big thank you to the following individuals and groups who were instrumental in making this state tournament a reality.

Alan Clendaniel, Anchorage
Amy Skilbred, Juneau
Bill Cotton, Anchorage

For more than 25 years, First National Bank Alaska has proudly served as ASAA’s Title Sponsor to help support 30,000 high school student athletes and activity participants statewide.

From higher grades and better attendance, to fewer dropouts and higher graduation rates, the value of sports and activities is clear. Together, we are giving our all for a brighter tomorrow.

We believe in Alaska. We believe in you.
