### PLAYER OF THE YEAR:

KIAH CHARLIE, SCAMMON BAY

### COACH OF THE YEAR:

HERSHEL SUNDOWN, SCAMMON BAY

## Scammon Bay senior earns top honor

By Jeremiah Bartz  
Frontiersman.com

During the final game of her junior season, Kiah Charlie lit up the Alaska Airlines Center.

The Scammon Bay junior poured in 30 points, and led her team to its first state championship in school history, helping her squad score a 66-43 win over Wainwright in the girls' 1A state title game.

As a senior, Charlie picked up right where she left off on the big floor on the UAA campus. After leading an undefeated Scammon Bay squad into the 1A state tournament, Charlie has been named the Alaska Roof Coatings/Alaska Association of Basketball Coaches 1A Girls Player of the Year.

Charlie averaged more than 30 points per game during the regular seasons, Scammon Bay head coach Hershel Sundown said. And at 5-foot-5, Sundown said Charlie can have success in a variety of different ways.

“(She scores from) all over. She does a little bit of everything,” Sundown said.

Sundown said having Charlie on the floor is a luxury for his team. She can post up one moment, and be at the top of the press the next. She can score and rebound in the paint, and then pull out and hit the three.

“She does everything,” Sundown said. “She’s a coach’s dream.”

Throughout Charlie’s career, Sundown said the senior has consistently put forth the time and effort to improve.

“The willingness, the fact that she’s so coachable,” Sundown said of Charlie’s many positive attributes. “Year after year. She’s only getting better.”

Sundown Charlie has the desire, and certainly the ability, to play at the next level. He said the senior has already been offered a scholarship from a school in Wisconsin, and there are programs in Washington also interested in her. Sundown said he’d love to see Charlie have the chance to play in her home state at either UAA or UAF.

“Hopefully they’ll watch her during the state tournament,” Sundown said.

# DENALI PRINCESS WILDERNESS LODGE®

The Shreeve Family knows the importance of teamwork. We're not just related, we are also co-workers at Denali Princess Wilderness Lodge. Knowing how to best support my team, whether we're at home, work, or on the field is a skill I learned while participating in Ketchikan High School's football and basketball programs.

Just as important as supporting my teammates on the field was watching my dad support me from the sidelines. One time he drove all the way from the Lodge to Delta Junction just to watch me play in an away game. ASAA builds valuable skills and camaraderie between players and families alike.

The Shreeves are proud to work for a company who sponsors the Alaska School Activities Association (ASAA), providing today's young Alaskans with 34 sports and activities to enrich their lives and ensure Alaska's future. We can't wait for the next generation to start participating!

### PLAYER OF THE YEAR:

AUSTIN WHITE, NINILCHIK

### COACH OF THE YEAR:

NICK FINLEY, NINILCHIK

## Ninilchik senior, UAA recruit named 1A player of year

By Jeremiah Bartz  
Frontiersman.com

Austin White has been a conference champion. A state champion. A region player of the year. And now a state player of the year who will play Division II basketball at UAA in the fall.

And it all started with a trip to a dentist.

Ninilchik head coach Nick Finley first met White shortly after White moved to the area from the Lower 48. White visited a local dentist office where Finley's wife worked. Finley said his wife looked at White, then an eighth grader, and was surprised to see a boy that tall that didn't play basketball. Finley's wife urged White to hit the court.

And the rest is history.

"I can't even explain how many times we were in the gym for individual workouts," Finley said of White, a 6-foot-8 Ninilchik senior who has been named the Alaska Roof Coatings/Alaska Association of Basketball Coaches 1A Boys Player of the Year. And thanks to that work, White is now among the state's best players at any level.

White averaged 17.8 points, 13.5 points, 3.9 blocks and 3.5 assists during the regular season, Finley said, and shot 62 percent from the field. White enjoyed a monster effort during the Peninsula Conference title game in early March, notching a triple-double in the win over Nikolaevsk, collecting 26 points, 16 rebounds and 12 blocks. He also had four assists.

Finley said White is a big reason why Ninilchik was able to dominate the level, beating 1A opponents by an average of 52 points a game. But Ninilchik also had schools from higher classes, and White

continued to have success. Finley's squad beat 3A Nikiski and 4A Soldotna, and also played 4A Dimond during the regular season. Finley said Ninilchik worked to provide tougher competition for White and his teammates

White's senior year also included an opportunity to sign his National Letter of Intent to attend UAA and play basketball for the Division II Seawolves.

"It's a huge deal," Finley said.

PLAYER OF THE YEAR:  
**RYLIE LYON, BRISTOL BAY**

COACH OF THE YEAR:  
**HEATH LYON, BRISTOL BAY**

## Love of the game drives Bristol Bay senior

By Jeremiah Bartz  
 Frontiersman.com

Heath Lyon has coached basketball for decades. And for much of that time Lyon's daughter, Rylie, has been there. She started as the coach's daughter running alongside the court. Now Rylie Lyon is the center of attention on the floor.

Lyon, a Bristol Bay standout, has been named the Alaska Roof Coatings/Alaska Association of Basketball Coaches 2A Girls Player of the Year.

"She grew up with it," Heath Lyon said of his daughter and the game of basketball. "She's an only child. She spent a lot of time at basketball practice."

Heath Lyon said started out as the little angel running around, and eventually she became the ball girl. As a sixth grader, Rylie started practicing with the high school team. But being the coach's daughter is not the only reason Rylie spends that much time in the gym.

She's drawn to it, Heath Lyon said.

"With her, what she does great is getting other people into the gym," Lyon said. "Her leadership skills. That's the biggest thing. Everybody looks to her. She calls up the girls, drags four, five girls into the gym."

All of that work has translated to success for Rylie Lyon and the Lady Angels. Last year, she helped Bristol Bay earn a spot in the 2A state title game. This year, the Lady Angels are 21-1 during the regular season.

Heath Lyon said Rylie, a 5-foot-7 senior, is his team's point guard. He said Rylie could play inside at the 2A level and could be a shooting guard at the college level, but prefers her to play point guard for

Bristol Bay. From that spot, Rylie is averaging more than 18 points per game, but Heath Lyon said his daughter does a great job at getting her teammates involved.

"She gets the ball to everyone else," Heath Lyon said.

Overall, Heath Lyon said Rylie is simply passionate for the game.

"The biggest thing for her, is her love for the game," Lyon said.

PLAYER OF THE YEAR:  
**STEWART CONN, PETERSBURG**

COACH OF THE YEAR:  
**RICK BROCK, PETERSBURG**

## Petersburg senior grabs top player honors

By Jeremiah Bartz  
 Frontiersman.com

Following his sophomore year of high school, Petersburg standout Stewart Conn was invited to compete overseas to compete in an international tournament in Germany and Austria.

Conn, a starter with the Vikings since his sophomore year, was already a good player. But following the trip, in which Conn helped lead a Team USA U16 to gold in the United Winter Games, Petersburg head coach Rick Brock said Conn came back an improved player.

“His game went to the next level,” Brock said recently.

Now as he enters the final stretch of his prep career, Conn is seen as the best in his class. The Petersburg senior has been named the Alaska Roof Coatings/Alaska Association of Basketball Coaches 2A Boys Player of the Year.

Brock said Conn, who helped lead Petersburg to the 2A state title game last season, is averaging 21 points and nearly eight rebounds a game for a squad that captured the region title earlier this month.

“He is really the leader of this group,” Brock said.

Brock said Conn has developed into a versatile threat for the Vikings, a player who can attack

inside and out. Brock calls the 6-foot-3 senior a point forward, a player who can bring the ball up the floor and work inside.

“We play him all over the floor,” Brock said. “He sees the floor so well, passes, shoots the ball. He can shoot the ball outside, score inside.”

Brock said Conn wants to play at the next level.

“He would love to go play. He’s got some community colleges looking at him right now,” Brock said. “It’s his dream. He definitely wants to go play at the collegiate level.”
