We believe in goals

A pivotal moment in life occurs when you learn to set goals. And when a student discovers that achieving their goals takes effort, commitment and hard work, they are on the right path to success.

First National Bank Alaska believes in Alaska youth. For more than 25 years, we have been the Title Sponsor of the Alaska School Activities Association and the lifelong values it imparts.

In First National Cup hockey, as in life, we believe in goals!
Welcome

On behalf of the Alaska School Activities Association (ASAA) Board of Directors and ASAA’s corporate partners, welcome to the 2017 ASAA/First National Bank Alaska Greatland Hockey State Championships! To the student-athletes, we applaud your dedication to doing your best for yourself and for your school. To the coaches, counselors and parents, thank you for continuing to support interscholastic sports and activities. And to the spectators, we appreciate your being part of this statewide championship event.

Alaska’s passion for hockey has translated to a new level of celebration in high school hockey. In 2005, a traveling trophy was created by First National Bank Alaska. Move over Stanley Cup - now there’s First National Cup! Title winners in each classification take home a huge traveling trophy to showcase their victory at State. Donated by First National Bank Alaska, the trophies reside at the schools of the 4A and Greatland tournament champions for one year, before they are passed on to the next year’s champions.

To the student-athletes, we applaud your dedication to doing your best for yourself and your school. Coaches, administrators and parents, thank you for supporting interscholastic sports and activities. And spectators, we appreciate your being part of these statewide championship events.

Billy Strickland, Executive Director
Alaska School Activities Association

Here’s the definition of “one for the road.”

Over HALF of all teen driving deaths involve alcohol! Here are three sobering facts you will never see in a beer commercial:

• 80% of alcohol-related fatalities are caused by beer consumption
• 11,769 impaired drivers DIED in 2009, over 700,000 injured.
• ONE beer is the equivalent of a shot of 80 proof hard liquor.

Drive as if your life depends on it. It does!

Teamwork provides perfect backdrop for family working together in Alaska

DENALI PRINCESS WILDERNESS LODGE®

The Shreeve Family knows the importance of teamwork. We’re not just related, we are also co-workers at Denali Princess Wilderness Lodge. Knowing how to best support my team, whether we’re at home, work, or on the field is a skill I learned while participating in Ketchikan High School’s football and basketball programs.

Just as important as supporting my teammates on the field was watching my dad support me from the sidelines. One time he drove all the way from the Lodge to Delta Junction just to watch me play in an away game. ASAA builds valuable skills and camaraderie between players and families alike.

The Shreeves are proud to work for a company who sponsors the Alaska School Activities Association (ASAA), providing today’s young Alaskans with 34 sports and activities to enrich their lives and ensure Alaska’s future. We can’t wait for the next generation to start participating!

Anchorage High School hockey coached by Art Allen played its first game in January 1958. Anchorage High School competed against an Alumni team with 3 games played the first year, all against the Alumni team. The following season (1958-59) high school hockey was recognized as a varsity sport. Competition consisted of men teams from Fort Richardson, Army National Guard and a City team (Hohn Plumbers). All games were played on outside rinks. Teams shoveled their own rinks, with numerous cases of frostbite recorded. In the 1959-60 season, the Prep team played the same competition except at the end of the season when Anchorage High School defeated Fairbanks High School twice providing the State with its first high school competition. In 1961 Anchorage High School was split forming West and East High School. The Intermediate League now was composed of two high schools and two local men teams.

On February 13, 1965 Anchorage watched its first indoor hockey game at the Anchorage Sports Arena with East defeating West 3-2. In 1965 the league was renamed the Cook Inlet Hockey League. 1966 saw the addition of Dimond High School to the conference coached by Tom Pfingst. The 1967 season witnessed Chugiak High School entering the league under the direction of Steve Moen. This marked the first season that the league consisted of all prep teams.

The 1969-70 season introduced the first year of season ending playoffs with West defeating Conference Champion Dimond. The 1970 season brought more league change with Chugiak dropping out and the addition of a team of college students. In 1971 Service High School coached by Dick Thompson entered the league. Chugiak re-entered the league in 1972 again making the conference an all high school affair. In 1973 the Bartlett Golden Bears began league play bringing the conference to its current number of six teams. 1977 the Conference name changed to its present name of the Anchorage High School Hockey Association.

In 1983, the first sanctioned ASAA state tournament was held as there were now three regions with hockey teams. Region 3 was the most recent addition with teams at Kenai, Soldotna, Palmer, and Wasilla High Schools. Region 4 (Anchorage) had teams at West, East, Chugiak, Dimond, Service, and Bartlett. Region 6 (Fairbanks) had teams at Lathrop, West Valley, and North Pole. In 1990, Skyview was added to Region 3 and Colony was added in 1992 to make a total of fifteen 4A schools with hockey programs.

In 1996, ASAA voted to classify the hockey state championships to allow an increasing number of smaller high schools an opportunity to be featured at the state tournament. The Greatland Hockey Tournament at this time had eight members and the two with the best season records were invited to compete for a one game state championship game to be played in conjunction with the existing state hockey tournament. That first year, Delta Junction was the champion of a four team tourney that was attached to the large schools tournament.

In 2000, the first ever state tournament for small schools (under 400 enrollment) was established. The Greatland Hockey Conference was established five years earlier to give smaller 1A, 2A, and 3A schools a shot at a statewide title. The previous three years, the final championship game was played as part of the 4A State Tournament. Beginning with 2000, a full separate tournament for all small schools was held in a separate location. Two new Anchorage schools---South Anchorage and Eagle River---were added to the Cook Inlet Conference in the fall of 2004 and 2005.

And in 2005, both state tournaments were held at the same site---the Big Dipper Sports Arena in Fairbanks and it was renamed the ‘Frozen Pond’ State Tournament. Presently the 4A schools classification sends eight teams to state from three conferences: Cook Inlet (4), Northern Lights (2), Mid Alaska (2). The Greatland Conference sends its top four teams to state. The present site for this combined state tournament is the Wasilla Sports Complex that was opened in 2005.

Leading Alaska’s active teens

At Providence, we believe that active teens become active adults – living happy, healthy lives. Kikkan Randall agrees. She grew up running, skiing and hiking around Alaska. Today, she’s America’s Olympic cross-country skiing star.

Providence supports Alaska’s teens and role models like Kikkan Randall by providing programs and services that encourage healthy lifestyles for all Alaskans.

Providence – you have our word.

We believe in goals

A pivotal moment in life occurs when you learn to set goals. And when a student discovers that achieving their goals takes effort, commitment and hard work, they are on the right path to success.

First National Bank Alaska believes in Alaska youth. For more than 25 years, we have been the Title Sponsor of the Alaska School Activities Association and the lifelong values it imparts.
