Most everyone loves music, but only a few of us experience the wonders of making music. The 2018 Alaska School Activities Association/First National Bank Alaska Solo and Ensemble Music Festival is a celebration of Alaska's best young music-makers.

First National believes in Alaska youth. And for more than 28 years, we have been the Title Sponsor of ASAA and the lifelong values the organization imparts.

Together, we are giving our all for a brighter tomorrow.
Welcome to the 2018 ASAA / First National Bank Alaska State Solo & Ensemble Music Festival. This event effectively promotes high standards of musicianship.

The goal of this activity is to foster and inspire technical achievement, aesthetic understanding and critical listening skills. Essential to this process are students who are willing to grow; music educators who clearly visualize, interpret, and teach musicianship; and adjudicators who can provide thoughtful, accurate, and educationally sound reactions. The result is a vital interaction that remains one of the more exciting, enjoyable, and worthwhile events in high school music activities.

Students pre-qualify for participation at the State Solo and Ensemble Music Festival by receiving a “I” or “Superior” rating at a qualifying festival. For the 2018 State Solo & Ensemble Music Festival, there are 497 entries involving 787 students from 56 Alaskan high schools ... a daunting task for two days. To perform at the Command Performance Concert, students must be nominated by the state adjudicator for each adjudicated section.

ASAA and our corporate partners join schools, music directors, private teachers, parents and communities in congratulating all high school instrumentalists and vocalists performing in this state culminating event. Years of dedicated hard work to develop your talents have paid off. Your challenge will be to not only perform to the best of your ability, but also to learn from the adjudicators and fellow students.

A heartfelt thanks goes to the University of Alaska Anchorage for contributing an exemplary facility to host the festival and to East Anchorage High School for contributing their phenomenal performance facilities.

Cam Bohman,
ASAA Music Festival Coordinator

Leading Alaska’s active teens

At Providence, we believe that active teens become active adults – living happy, healthy lives. Kikkan Randall agrees. She grew up running, skiing and hiking around Alaska. Today, she’s America’s Olympic cross-country skiing star.

Providence supports Alaska’s teens and role models like Kikkan Randall by providing programs and services that encourage healthy lifestyles for all Alaskans.

Providence – you have our word.

Kikkan Randall
Two-time Olympian, cross-country skiing

We believe in harmony

Most everyone loves music, but only a few of us experience the wonders of making music. The 2018 Alaska School Activities Association/First National Bank Alaska Solo and Ensemble Music Festival is a celebration of Alaska’s best young music-makers.

First National believes in Alaska youth. And for more than 28 years, we have been the Title Sponsor of ASAA and the lifelong values the organization imparts.

Together, we are giving our all for a brighter tomorrow.
