We Believe in Alaska

On behalf of the Alaska School Activities Association Board of Directors and ASAA's corporate partners, welcome to the March Madness Alaska, 2018 ASAA/First National Bank Alaska Cheer State Championship Competition!

Student-athletes, we applaud your dedication to doing your best for yourself and for your school. Coaches, counselors and parents, thank you for continuing to support interscholastic sports and activities. And, to the spectators, we appreciate your being part of this statewide championship event.

Billy Strickland,
ASAA Executive Director

Sportsmanship Creed

"This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN...NOT A FANATIC."

Central Bering Sea Fishermen's Association

The Central Bering Sea Fishermen's Association (CBSFA) is the management organization for St. Paul Island under the Western Alaska Community Development Quota (CDQ) Program. Since the program was created in 1992, the federal government has been awarding various species of fish (CDQ allocations) from the Bering Sea and Aleutian Islands commercial fisheries to CBSFA. In turn, CBSFA manages these allocations to promote social and economic development at St. Paul Island.

NORTH SLOPE CHAMPIONS AGAINST TOBACCO USE AND ALCOHOL ABUSE

The Barrow Whaler basketball teams, football team and volleyball team, along with the Tikigaq Harpoonerettes basketball team have joined the North Slope Borough's Prevention Program to become proud tobacco and alcohol abuse prevention champions of the North Slope. They took on the responsibility of being role models to our communities by choosing not to use tobacco or alcohol products and promoting positive, healthy lifestyles.

- Cancer is one of the leading causes of death in the North Slope Region, 1 in 4 diagnosed cancers is lung cancer.
- Cigarettes, chewing and e-cigarettes are all dangerous to your health.
- Alcohol abuse contributes to many injuries, violence and health issues our communities face, be a part of the solution and not the problem.
- 78% of Alaskan teens don't drink!

Congratulations to all the North Slope sports teams that have worked their way to state.
