WELCOME

On behalf of the Alaska School Activities Association (ASAA) Board of Directors and ASAA's corporate partners, welcome to the 2022 ASAA/First National Bank Alaska 3A/4A Volleyball State Championships! To the student-athletes, we applaud your dedication to doing your best for yourself and for your school. To the coaches, counselors and parents, thank you for continuing to support interscholastic sports and activities. And to the spectators, we appreciate you being part of this statewide championship event.

Billy Strickland
ASAA Executive Director

Indigenous Land Acknowledgement:

The Alaska School Activities Association is honored to be guests on the traditional homelands of the Eklutna Dena'ina Peoples for this championship event. We are committed to recognizing, celebrating and honoring the continued culture, language and heritage of the Dena'ina Peoples. Chin'an!

We're Teaming Up!

Giving all Alaska students the opportunity to join in activities and reach their goals.

Thanks to our loyal customers and committed employees, ACC has grown to 35 retail stores throughout the state. Together, with our meat processing plant, North Star Quality Meats, and our wholesale division, Pacific Alaska Wholesale, we strive to meet the food and merchandise needs of the communities we serve.

Sponsoring ASAA provides ACC with a great opportunity to extend that same dedication to the youth of our villages.

THE HISTORY OF ASAA

ASAA's roots predate statehood. In the early 1950s, school leaders in the Territory of Alaska recognized the need to separate the high school basketball program from the local town business leagues. William Zahradnicek of Palmer, and W.W. Lahnum and Gordon Guffey of Anchorage, joined forces to organize the Western Alaska High School Activities Association with a mandate to ensure the necessary educational leadership. Sterling Sears of Juneau and Les Wingard and J.E. Danielson of Ketchikan were moving ahead at the same time to form the Southeast Alaska Activities Association.

In 1956, the Territorial Department of Education Superintendents Advisory Commission determined the need for an organization that could establish common rules and regulations to guide the activities of the two associations. In the Fall of 1957, the commission approved the Constitution and Bylaws of the Alaska High School Activities Association (ASAA). Officers representing the two divisions were elected. The first Board of Control consisted of William Zahradnicek, Palmer, as Chairman, J.E. Danielson, Ketchikan, Secretary-Treasurer; and members George McMillan, Juneau, Joe Montgomery, Anchorage, and Sterling Sears, Juneau.

This informal arrangement worked very well until the early 1970s, when the State Legislature added a section to the Educational Statutes placing the Association under the Department of Education. School populations and the number of participating schools were increasing. After many meetings, the two original associations became five distinct Regions based on school size and geographic location. One year later, in 1976, Regions increased to six. The new Board of Control consisted of one member from each Region, a representative of the Association of Alaska School Boards, and a representative of the Superintendents Association. In 1978, the board added a representative of the Alaska Association of Student Governments.

Due to the increasing number of schools participating in boys and girls basketball, the need for additional statewide culminating events became evident. This required the formation of a classification system that spanned all of the Regions. This task fell to a committee composed of representatives from all six Regions. It was known as the "Black and Blue" Ribbon Study Commission because of the difficulties faced in satisfying the needs of each Region. In June 1981, the Board of Control adopted the Commission's recommendation to establish four classifications based on school enrollment with some overlap in the two smallest classes due to geographic location. The first statewide event for the smaller classes was an invitational basketball tournament held in Anchorage in 1983-84.

In 1986, the Department of Education eliminated funding for ASAA. The Board of Control voted to incorporate as a 501(c)(3) non-profit corporation, beginning July 1, 1987. Because of ongoing jurisdictional issues between the Association and the State of Alaska, both entities sought a legal resolution. This resulted in the 1995 repeal of the Legislative Statute that had placed ASAA under the Department of Education.

In 2007, in order to ensure consistent tobacco, alcohol and controlled substances policies by member schools and districts, the Board of Directors adopted the "Play for Keeps-Win for Life" program for all student participants. In 2011, the Alaska Legislature passed House Bill 15, (amended in 2012 under Senate Bill 119), that sets standards for concussion awareness, education, treatment and return to participation protocols. ASAA developed recommended policies and procedures to assist in the implementation of the law. In 2013, the Alaska Legislature passed Senate Bill 41 that addressed interscholastic participation by "alternative education program students." ASAA developed bylaws and policies to assist schools, students and families in the implementation of the statute.

Currently, the Alaska School Activities Association serves over 200 schools and 26,000 student participants. These student participants are active in 22 athletic activities and 6 academic activities culminating in 54 State Championship events! Without the support of the schools, students, coaches/advisors, parents, and fans ASAA couldn't be as successful as it has been since 1956. **THANK YOU!**

BE THE INFLUENCE

LEARN IT. LIVE IT. LEAD IT.

Alcohol misuse impacts the health of our people and our communities. *Be The Influence* empowers our young people to learn about the risks of alcohol use, have honest conversations about alcohol, delay alcohol use, and make healthy, alcohol-free life choices.

We want our young people to be the change they want to see in the world and *Be The Influence*.

Coaching Boys INTO MEN

CoachesCorner.org

Athletic coaches play an extremely influential and unique role in the lives of young men. Because of these relationships, coaches are poised to positively influence how young men think and behave, both on and off the field.

Coaching Boys Into Men (CBIM) is the only evidence-based prevention program that trains and motivates high school coaches to teach their young male athletes healthy relationship skills and that violence never equals strength.

Athletes As Leaders

AthletesAsLeaders.org

Athletes As Leaders (AAL) is a program for high school athletes on girls' sports teams. The program aims to empower youth to take an active role in challenging stereotypes, promoting healthy relationships and creating a safe and welcoming community for all.

AAL is based on research and best practices in the field of sexual assault prevention. Athletes are encouraged to be leaders in changing peer norms and school climate to a culture of safety and respect.
