Welcome from ASAA

On behalf of the Alaska School Activities Association (ASAA) Board of Directors and ASAA's corporate partners, welcome to the 2013 ASAA/First National Bank Alaska State High School Tennis Championships! To the student-athletes, we applaud your dedication to doing your best ... for yourself and for your school. To the coaches, counselors and parents, thank you for continuing to support interscholastic sports and activities. And to the spectators, we appreciate your being part of this statewide championship event.

Gary Matthews,
ASAA Executive Director

Sportsmanship Creed

"This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN—NOT A FANATIC."

Teamwork provides perfect backdrop for working at home in Alaska

I was born and raised in Alaska, and have come to appreciate the amazing natural beauty of the 49th state.

As a high school student, my future was just as uncertain as anyone else, but participation in ASAA activities helped point me in the right direction.

Teamwork, camaraderie, and dedication were valuable skills I learned through participation in East High School's tennis team.

Today, as a Guest Services Supervisor, I put those skills to use everyday. I'm proud to work for a company who sponsors ASAA, and their investment in the future of Alaska's youth.

History of Tennis in Alaska

Tennis has been a sanctioned ASAA sport in Alaska since 1974. Only the Anchorage School District schools were playing at that time (Dimond, Service, Bartlett, West, East and Chugiak). Later, Fairbanks, Valley, and Juneau added teams.

This year, there are schools in four regions of the state that have tennis programs which is one of the criteria for ASAA to host a state tournament.

In the fall of 2006, a meeting of tennis coordinators from around the state was held and it was at that meeting that the preliminary plans were made to submit a proposal for a state tournament to the ASAA board of directors at the Winter meeting. Then at the 2006 Spring meeting in Fairbanks, the board agreed to the bylaws that would permit a state tournament for Tennis.

Credit should be given to these dedicated individuals who were instrumental in the planning and presenting stages which resulted in a first ever State Tennis Tournament in Alaska:

Bill Cotton, Anchorage
Gwen Ramras, Fairbanks
Amy Skilbred, Juneau
Craig Johnson, Kodiak
Alan Clendaniel, Anchorage
Matt Hemry, Anchorage
Dave Reeves, Anchorage

This is the third state championships which is being held at the Alaska Clubs North and East. Alaska Club is a year round sponsor of ASAA State Championships. And USTA has also partnered with ASAA to help sponsor this prestigious event by providing a traveling trophy to the winning team and a coaching clinic and social hour for all participants.

.....

BE A SPORT: Acceptable behavior looks like, sounds like, feels like...

- Applauding during introductions of teams.
- Shaking hands with opponents after the event regardless of the outcome.
- Reacting to the event as a game, not a war.
- Recognizing outstanding performances and coaching.
- Appreciating all participants performances at end of the event with applause.
- Showing concern for an injured player.

Is your future

going up in smoke?

What if someone offered you a highly addictive, slow-death poison that made you look foolish and insecure? Would you even THINK about trying it?

Cigarette smoke is loaded with toxins and hundreds of harmful additives. It contains much higher levels of carbon monoxide than car exhaust! And the price an average pack-a-day smoker pays to feed their addiction to these toxins is about \$300 a month!

If you are addicted to tobacco, it's never too late to quit. Please get help before your future goes up in smoke.

Tobacco is poison. For real.

SAFER KIDS—DRIVE A SAFER COMMUNITY

Last year our Driving Skills For Life program provided 11,975 teen drivers in the Northwest with the life-saving information and instruction they need to be safer on our roads. Educating teens to save lives—that's what Driving Skills for Life is all about.

DID YOU KNOW?

- Vehicle crashes are #1 killer of teens
- 16-year-olds are 10 times more likely to be involved in a crash than an adult
- Additional passengers increase the risk of a fatal crash for 16- and 17-year old drivers
