FIRST and 10 reasons one Alaska bank believes in high school activities

Leadership, teamwork, commitment and hard work: These are just a few of the values that guide teams in their quest for the First National Bowl.

For more than 25 years, First National Bank Alaska has proudly served as ASAA's Title Sponsor to help support 30,000 high school student-athletes and activity participants statewide.

From higher grades and better attendance, to fewer dropouts and higher graduation rates, the value of sports and activities is clear. Together, we are giving our all for a brighter tomorrow.

Welcome

On behalf of the Alaska School Activities Association (ASAA) and our corporate partners, welcome! Over the next two weekends you'll see how Alaska's passion for the pigskin has given rise to a new level of celebration in high school football . In 2003, ASAA and First National Bank Alaska transformed the state-culminating event into Alaska's ONLY football bowl . This grand tradition continues through the efforts of a dedicated committee, who have organized local celebrities, special events, and in-depth recognition to heighten the excitement and underscore the glory of the game during these championships .

In the spring of 2011 the ASAA Board of Director approved the creation of a new classifications for football. The new football classification are Small Schools, Medium Schools and Large Schools . The creation of these new divisions has brought even more excitement to the First National Bowl Series.

Each champion is awarded the possession of a "Traveling Trophy." These beautiful trophies have been donated by First National Bank Alaska . Winners of these hard earned trophies take them home for a year before passing it on to the next year's champions or retaining it for themselves.

Billy Strickland, Executive Director
Alaska School Activities Association

Sportsmanship Creed

"This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN----NOT A FANATIC."

WE'RE TEAMING UP!

Giving all Alaska students the opportunity to join in activities and reach their goals.

Thanks to our loyal customers and committed employees, ACC has grown to 35 retail stores throughout the state. Together with our meat processing plant, North Star Quality Meats, and our wholesale division, Pacific Alaska Wholesale, we strive to meet the food and merchandise needs of the communities we serve.

Sponsoring ASAA provides ACC with great opportunity to extend that same dedication to the youth of our villages.

SEE THE STARS OF TOMORROW, TODAY!

During halftime of Large School First National Bowl Semifinal games, you'll see a sneak preview of the high school football stars of the future.

Four Boys & Girls Clubs teams will demonstrate the new, safer **USA Heads Up** blocking and tackling fundamentals taught by USA Football trained and Certified coaches.

BGC Football is Anchorage's premier youth football league for Alaskans grades 3-8 (ages 8 -14). More than a hundred Certified Coaches and dedicated volunteers work with local high schools to prepare young Alaskans for high school, college and even NFL football careers.

So watch closely, you just may see a future All-Conference Linebacker or All-State running back. These kids play hard, they play safe and they dream big!

DENALI PRINCESS
WILDERNESS LODGE®

The Shreeve Family knows the importance of teamwork. We're not just related, we are also co-workers at Denali Princess Wilderness Lodge. Knowing how to best support my team, whether we're at home, work, or on the field is a skill I learned while participating in Ketchikan High School's football and basketball programs.

Just as important as supporting my teammates on the field was watching my dad support me from the sidelines. One time he drove all the way from the Lodge to Delta Junction just to watch me play in an away game. ASAA builds valuable skills and camaraderie between players and families alike.

The Shreeves are proud to work for a company who sponsors the Alaska School Activities Association (ASAA), providing today's young Alaskans with 34 sports and activities to enrich their lives and ensure Alaska's future. We can't wait for the next generation to start participating!

Here's the definition of "one for the road."

Over **HALF** of all teen driving deaths involve alcohol! Here are three sobering facts you will never see in a beer commercial:

- 80% of alcohol-related fatalities are caused by beer consumption
- 11,769 impaired drivers **DIED** in 2009, over 700,000 injured.
- **ONE** beer is the equivalent of a shot of 80 proof hard liquor.

Drive as if your life depends on it.

It does!

The first football championships were organized by the Cook Inlet Conference who invited teams which they felt deserved a opportunity to compete for the Invitational State Championships. These invitational continued until 1990 when ASAA set up a qualifying process for the three conferences (Cook Inlet, Railbelt, and Northern Lights) to send teams to an official Alaska State Tournament.

Then as more smaller schools started football programs, a fourth conference called The Greatland Conference was formed in 1997 with four schools (Nikiski, Seward, Glennallen, and Houston). The top two teams in that conference played each other for an unofficial "Greatland State Championship". In 2000, there was a re-shuffling of teams into a Large Schools Division and a Small Schools Division. Teams with enrollments of 850 or less were now classified as "small schools" and a new state championship was held with the winners of the semi-finals of the Northern Lights and the Greatland Conferences.

Presently, there are 31 schools in Alaska with football programs grouped into five conferences based on school size. In 2005, Juneau moved from the Cook Inlet to the Railbelt Conference as the Cook Inlet was adding two new schools (South Anchorage and Eagle River.) Barrow is the most northernmost school to start a football program. They played a non-conference schedule in 2006 and then entered the Greatland Conference in 2007 as a varsity team.

In 2008, Houston moved from the Greatland to the Northern Lights Conference as their enrollment had increased to over 400 students making them a 4A school. And in 2009, Thunder Mountain (Juneau) started football joining the newly formed Southeast Conference along with Sitka and Ketchikan.

In 2008, the small schools expanded playoffs to include quarter-finals. Playoffs for both divisions now

involves quarterfinals with the top four teams in each conference advancing to the semifinals that are hosted by ASAA. Winners advance to the State Championships the next week.

In 2011, the ASAA board approved the creation of one more division, the Medium Schools division, in preparation for the new classification starting in 2012-13 school year.
