# We believe in Alaska's future

Challenges abound as we look to Alaska's future. By taking part in Alaska School Activities Association events, the state's youth prepare themselves for the opportunities that lie ahead.

For 27 years, First National Bank Alaska has proudly served as ASAA's Title Sponsor to help support 30,000 high school student athletes and activity participants statewide.

From higher grades and better attendance, to fewer dropouts and higher graduation rates, the value of sports and activities is clear. Together, we are giving our all for a brighter tomorrow.

We believe in Alaska. We believe in you.

# Welcome

On behalf of the Alaska School Activities Association (ASAA) Board of Directors and ASAA's corporate partners, welcome to the 2016 ASAA/First National Bank Alaska Wrestling State Championships! To the student-athletes, we applaud your dedication to doing your best for yourself and for your school. To the coaches, counselors and parents, thank you for continuing to support interscholastic sports and activities. And to the spectators, we appreciate you for being part of this statewide championship event.

Billy Strickland, Executive Director  
Alaska School Activities Association

## Sportsmanship Creed

"This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, **BE A FAN...NOT A FANATIC.**"

# WE'RE TEAMING UP!

Giving all Alaska students the opportunity to join in activities and reach their goals.

Thanks to our loyal customers and committed employees, ACC has grown to 35 retail stores throughout the state. Together with our meat processing plant, North Star Quality Meats, and our wholesale division, Pacific Alaska Wholesale, we strive to meet the food and merchandise needs of the communities we serve.

Sponsoring ASAA provides ACC with great opportunity to extend that same dedication to the youth of our villages.

Alaska Commercial Company, serving rural Alaska since 1867

Wrestling in Alaska had its beginning in 1961. In those days, East High and West High were double shifting but no formal wrestling programs were in existence until Wally Smith agreed to coach an East team if Keith Johnson would coach a West team. Smith and Johnson introduced their teams during a halftime performance at a basketball game. The Eagles and Thunderbirds, clad in dyed longjohn underwear, wrestled Alaska's first dual meet with each school winning two matches.

Anchorage's first tournament was in 1962-63 and consisted of five teams--- East, West, Palmer, Kenai, and Kodiak. Gary Bernardson replaced Wally Smith at East and coached for two years until Ron Lavalley took over. In 1967, Jerry Palmer assumed the Thunderbird helm. About this same time, Kent Hansen at Mt. Edgecumbe introduced wrestling to Southeast Alaska. Another program was also started at Seward.

Southcentral teams competed in the Western Alaska High School Association Tournament from 1962 until 1972. West Anchorage was a dominant team until 1969 when East Anchorage won three consecutive titles. During those years, larger schools were classified as AA and smaller schools as A. Homer was the Division A winner in 1969, giving up the crown to Chugiak for 1970 and 1971.

Chugiak first began competing in wrestling in 1967 under the tutelage of Dick Kerbow and didn't waste any time becoming recognized as a top grappling school statewide.

The first Alaska State High School Wrestling Tournament was held at Service High School in 1972 with the first and second place regional winners in each weight competing from the two geographic regions of Alaska---Southeast and Southcentral. Fifteen schools from throughout Alaska were represented but no scores were kept, but it was noted that the Southcentral schools had eight champs to only four for the Southeast schools. The 1973 State Championship was held in Juneau, but again no team scores were kept.

In 1979, the state championships were divisionalized into small schools (Division I) and large schools (Division II). Then in 1985, the divisions were revised into classifications based on enrollments. At that point, any school under 400 students would wrestle for the 1A-2A-3A State Championships, while schools over 400 were 4A.

Teamwork provides perfect backdrop  
for family working together in Alaska

# DENALI PRINCESS WILDERNESS LODGE®

The Shreeve Family knows the importance of teamwork. We're not just related, we are also co-workers at Denali Princess Wilderness Lodge. Knowing how to best support my team, whether we're at home, work, or on the field is a skill I learned while participating in Ketchikan High School's football and basketball programs.

Just as important as supporting my teammates on the field was watching my dad support me from the sidelines. One time he drove all the way from the Lodge to Delta Junction just to watch me play in an away game. ASAA builds valuable skills and camaraderie between players and families alike.

The Shreeves are proud to work for a company who sponsors the Alaska School Activities Association (ASAA), providing today's young Alaskans with 34 sports and activities to enrich their lives and ensure Alaska's future. We can't wait for the next generation to start participating!

# Here's the definition of "one for the road."

Over **HALF** of all teen driving deaths involve alcohol! Here are three sobering facts you will never see in a beer commercial:

- 80% of alcohol-related fatalities are caused by beer consumption
- 11,769 impaired drivers **DIED** in 2009, over 700,000 injured.
- **ONE** beer is the equivalent of a shot of 80 proof hard liquor.

Drive as if your life depends on it.

*It does!*

## Leading Alaska's active teens

At Providence, we believe that active teens become active adults – living happy, healthy lives. Kikkan Randall agrees. She grew up running, skiing and hiking around Alaska. Today, she's America's Olympic cross-country skiing star.

Providence supports Alaska's teens and role models like Kikkan Randall by providing programs and services that encourage healthy lifestyles for all Alaskans.

Providence – you have our word.

# We believe in Alaska's future

Challenges abound as we look to Alaska's future. By taking part in Alaska School Activities Association events, the state's youth prepare themselves for the opportunities that lie ahead.

For 27 years, First National Bank Alaska has proudly served as ASAA's Title Sponsor to help support 30,000 high school student athletes and activity participants statewide.

From higher grades and better attendance, to fewer dropouts and higher graduation rates, the value of sports and activities is clear. Together, we are giving our all for a brighter tomorrow.

We believe in Alaska. We believe in you.
