## Sportsmanship Creed

“This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN----NOT A FANATIC.”

## Welcome

On behalf of the Alaska School Activities Association (ASAA) Board of Directors and ASAA’s corporate partners, welcome to the 2017 ASAA/First National Bank Alaska Cross Country Running State Championships! To the student-athletes, we applaud your dedication to doing your best for yourself and for your school. To the coaches, counselors and parents, thank you for continuing to support interscholastic sports and activities. And to the spectators, we appreciate your being part of this statewide championship event.

## Scoring & Awards for High School Cross-Country Running

### Individual Scoring & Awards

Racers are awarded medals based on their order of finish in the race—in the state meet, the top ten in each event will receive an award. In today's events, there will be individual medals awarded to the top 15 finishers, as well as to the seven racers of the top two teams in each category.

### Team Scoring & Awards

Team awards are determined by adding up the finish place of the top five runners on a team. For example, if a team has runners finishing in positions 1, 3, 7, 10, 15, 21 and 28 (only 7 racers from each team may participate in a varsity race), then the team score would be  $1 + 3 + 7 + 10 + 15 = 36$ . In the case of a tie score with a five-person total, the team with the lowest 6th place finisher is declared the winner.

The lower a team's score, the better. A "perfect" score would be 15 where all five runners from one team came across in the first five places.

Today's event will have team awards for the top two varsity teams in each race.

### Other Awards

ASAA recognizes a Good Sport Team, chosen from among participating schools with at least four runners. This award recognizes the good citizenship and sportsmanship demonstrated throughout the whole season. Good Sport Team members are selected by each qualifying team's head coach. An Academic Award is presented to the team with the highest GPA.

Teamwork provides perfect backdrop  
for family working together in Alaska

# DENALI PRINCESS WILDERNESS LODGE®

The Shreeve Family knows the importance of teamwork. We're not just related, we are also co-workers at Denali Princess Wilderness Lodge. Knowing how to best support my team, whether we're at home, work, or on the field is a skill I learned while participating in Ketchikan High School's football and basketball programs.

Just as important as supporting my teammates on the field was watching my dad support me from the sidelines. One time he drove all the way from the Lodge to Delta Junction just to watch me play in an away game. ASAA builds valuable skills and camaraderie between players and families alike.

The Shreeves are proud to work for a company who sponsors the Alaska School Activities Association (ASAA), providing today's young Alaskans with 34 sports and activities to enrich their lives and ensure Alaska's future. We can't wait for the next generation to start participating!

## Leading Alaska's active teens

At Providence, we believe that active teens become active adults – living happy, healthy lives. Kikkan Randall agrees. She grew up running, skiing and hiking around Alaska. Today, she's America's Olympic cross-country skiing star.

Providence supports Alaska's teens and role models like Kikkan Randall by providing programs and services that encourage healthy lifestyles for all Alaskans.

Providence – you have our word.
