## We believe in harmony

Most everyone loves music, but only a few of us experience the wonders of making music. The 2017 Alaska School Activities Association/First National Bank Alaska Solo and Ensemble Music Festival is a celebration of Alaska's best young music-makers.

First National believes in Alaska youth. And for more than 27 years, we have been the Title Sponsor of ASAA and the lifelong values the organization imparts.

Teamwork. Harmony. Commitment.

Together, we are giving our all for a brighter tomorrow.

**2017 Solo & Ensemble Music Festival  
May 12 & 13, 2017  
Festival Adjudications at UAA  
Command Performances at East  
Anchorage High School**

Welcome to the 2017 ASAA/First National Bank Alaska State Solo & Ensemble Music Festival. This event effectively promotes high standards of musicianship.

The goal of this activity is to foster and inspire technical achievement, aesthetic understanding and critical listening skills. Essential to this process are students who are willing to grow; music educators who clearly visualize, interpret, and teach musicianship; and adjudicators who can provide thoughtful, accurate, and educationally sound reactions. The result is a vital interaction that remains one of the more exciting, enjoyable, and worthwhile events in high school music activities.

Students pre-qualify for participation at the State Solo and Ensemble Music Festival by receiving a "I" or "Superior" rating at a qualifying festival. For the 2017 State Solo

& Ensemble Music Festival, there are 502 entries involving 777 students from 41 Alaskan high schools a daunting task for two days. To perform at the Command Performance Concert, students must be nominated by the state adjudicator for each adjudicated section.

ASAA and our corporate partners join schools, music directors, private teachers, parents and communities in congratulating all high school instrumentalists and vocalists performing in this state culminating event. Years of dedicated hard work to develop your talents have paid off. Your challenge will be to not only perform to the best of your ability, but also to learn from the adjudicators and fellow students.

A heartfelt thanks goes to the University of Alaska Anchorage for contributing an exemplary facility to host the festival and to East High School for contributing their phenomenal performance facilities.

Cam Bohman,  
ASAA Music Festival Coordinator

Teamwork provides perfect backdrop  
for family working together in Alaska

# DENALI PRINCESS WILDERNESS LODGE®

The Shreeve Family knows the importance of teamwork. We're not just related, we are also co-workers at Denali Princess Wilderness Lodge. Knowing how to best support my team, whether we're at home, work, or on the field is a skill I learned while participating in Ketchikan High School's football and basketball programs.

Just as important as supporting my teammates on the field was watching my dad support me from the sidelines. One time he drove all the way from the Lodge to Delta Junction just to watch me play in an away game. ASAA builds valuable skills and camaraderie between players and families alike.

The Shreeves are proud to work for a company who sponsors the Alaska School Activities Association (ASAA), providing today's young Alaskans with 34 sports and activities to enrich their lives and ensure Alaska's future. We can't wait for the next generation to start participating!

## We believe in harmony

Most everyone loves music, but only a few of us experience the wonders of making music. The 2017 Alaska School Activities Association/First National Bank Alaska Solo and Ensemble Music Festival is a celebration of Alaska's best young music-makers.

First National believes in Alaska youth. And for more than 27 years, we have been the Title Sponsor of ASAA and the lifelong values the organization imparts.

Teamwork. Harmony. Commitment.

Together, we are giving our all for a brighter tomorrow.
