We Believe in Alaska

On behalf of the Alaska School Activities Association (ASAA) Board of Directors and ASAA's corporate partners, welcome to the 2018 ASAA/First National Bank Alaska Baseball & Softball State Championships! To the student-athletes, we applaud your dedication to doing your best for yourself and for your school. To the coaches, counselors and parents, thank you for continuing to support interscholastic sports and activities. And to the spectators, we appreciate your being part of this statewide championship event.

Billy Strickland,
ASAA Executive Director

Sportsmanship Creed

"This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN...NOT A FANATIC."

WE'RE TEAMING UP!

Giving all Alaska students the opportunity to join in activities and reach their goals.

Thanks to our loyal customers and committed employees, ACC has grown to 35 retail stores throughout the state. Together with our meat processing plant, North Star Quality Meats, and our wholesale division, Pacific Alaska Wholesale, we strive to meet the food and merchandise needs of the communities we serve.

Sponsoring ASAA provides ACC with great opportunity to extend that same dedication to the youth of our villages.

Is your future

going up in smoke?

What if someone offered you a highly addictive, slow-death poison that made you look foolish and insecure? Would you even THINK about trying it?

Cigarette smoke is loaded with toxins and hundreds of harmful additives. It contains much higher levels of carbon monoxide than car exhaust! And the price an average pack-a-day smoker pays to feed their addiction to these toxins is about \$300 a month!

If you are addicted to tobacco, it's never too late to quit. Please get help before your future goes up in smoke.

Tobacco is poison. For real.

Leading Alaska's active teens

At Providence, we believe that active teens become active adults – living happy, healthy lives. Kikkan Randall agrees. She grew up running, skiing and hiking around Alaska. Today, she's America's Olympic cross-country skiing star.

Providence supports Alaska's teens and role models like Kikkan Randall by providing programs and services that encourage healthy lifestyles for all Alaskans.

Providence – you have our word.

Team Accomplishments this season:

Goal #1...rebuild a strong, respected program for years to come! That is happening with dedicated hard working girls, building team unity, Discipline and a team first attitude. Going to have great pitching, hit with power and a eat dirt defensive attitude. Could not be any prouder of these young women. They have bought into my style of coaching and system from which I told them from day 1 that they had too. They enter into every game confident, knowing that they have a great chance of winning and will perform at a high level. Kodiak Bears are hitting over .500 as a team with 8 homeruns on the season and has won more games so far this seasons as they have the past 2 seasons. Goal #2...State Championship. "We Believe" has been our motto all season.

History of Softball in Alaska

As more schools began having softball teams, ASAA created the first state tournament in 1996. All schools were in one classification and, since it was an emerging sport, qualification to the state tournament was dependent on a team's season record. If a team had a .500 average or higher, regardless of the number of games they played, they qualified for a berth. This meant that no one knew how many teams would actually compete until the last week. Sometimes as few as eight but as many as fourteen teams might attend the

state tournament. The tournament bracket was a double elimination format which might require some teams to play as many as four or five games within 24 hours.

In 2005, with twenty-five schools now having softball as a varsity sport, it was time to divide into a Large Schools Classification (850+ enrollment) and a Small Schools Classification (under 850 enrollment). This change not only addressed the growth in the number of smaller schools playing softball, but also the inequity of playing in one

tournament against schools much larger. Schools could still qualify by having a .500 record against teams only in their own classification. However, in 2006, schools were grouped into conferences with a certain number of berths assigned to each conference. Presently, there are 13 schools in the large school classification and 15 schools in the small school classification with each classification assigned six berths.

History of Baseball in Alaska

For many years, baseball was played as a preparation for American Legion Baseball. Teams in Anchorage and Fairbanks were basically feeder programs for the summer long club programs. As interest developed in more schools, ASAA created the first state tournament in 2000. At that time, there were about twelve schools in four regions in the state.

Since then, the sport has been adopted by more schools—in many cases as an “outsourced” program as schools were unable to fund additional sports.

The first six state tournaments involved only the top team from four different conferences to play two semi-finals, a third place game and a championship. Starting with 2007, the

tournament expanded into a regulation eight-team championship that included two teams from each of the four conferences. Presently, there are 28 schools with baseball programs throughout Alaska.

Covering all the bases

For nearly a century, **ONE** Alaska bank has believed in Alaska's youth. We're proud to support students in communities throughout the state who value teamwork and the determination to reach new heights.

Congratulations to all 2018 ASAA/First National Baseball and Softball State Championship participants. Together, we're giving our all for every Alaskan to enjoy a brighter tomorrow.
