Teamwork provides perfect backdrop for family working together in Alaska

DENALI PRINCESS WILDERNESS LODGE®

The Shreeve Family knows the importance of teamwork. They're not just related, they're also co-workers at Denali Princess Wilderness Lodge!

"It's all about family for me. I know that the ASAA sports my siblings and I participated in helped us grow together as a family. Knowing how to best support my team, whether we're at home, work, or on the field is a skill I learned while participating in ASAA. The TAD rules helped keep me safe when I played high school sports, and the high standards make me feel comfortable letting my daughters participate in ASAA activities in the years to come.

The Shreeves are proud to work for a company who sponsors the Alaska School Activities Association (ASAA), providing today's young Alaskans with 34 sports and activities to enrich their lives and ensure Alaska's future. We can't wait for the next generation to start participating!"
