King Cove junior named player of the year

By Jeremiah Bartz | Frontiersman.com

Elaina Mack has a ritual. She fires three, after three, after three, until she hits a goal.

"She makes 100 three-pointers every day," King Cove head coach Gary Lamar said recently.

And the extra work has paid off for the King Cove junior. Mack is shooting 55 percent from the floor and 43 percent from behind the arc.

"That's says a lot," Lamar said. "There's an old saying in coaching. If you can shoot 40 from two and 32 from three, you've got a shooter."

Lamar's King Cove squad has a shooter, and the player tabbed as the best in the state. Mack has been named the Knight's Taxidermy/Alaska Association of Basketball Coaches 1A Girls Player of the Year.

"She's the real deal," Lamar said.

Lamar said he's been coaching basketball for 35 years, the bulk of that time in Texas.

"She's the best shooter I've ever had," Lamar said. "That says a lot."

And Mack has the statistics to back it up. The 5-foot-7 guard is averaging 37.5 points per game, a state-best according to statistics provided on asaa365.com. Mack has scored 50 or more points in a game four times this season, including a season-high 57 against Newhalen. And she has also performed at a high level against teams from higher classifications. Mack scored 50 in a win over 2A Unalaska, 34 against 3A Seward and 37 against 3A Redington. Mack also poured in 39 against the Dimond junior varsity, a squad part of a Lynx program that won the 4A state title last year.

Mack led King Cove to a 26-0 record and the Aleutian Chain Conference title. King Cove is also the top seed in the 2019 1A girls state tournament.

Lamar said, while Mack has tremendous talent and potential, the junior is also part of a core group that has helped Mack flourish. Mack is also averaging more than five assists per game. Lamar said Mack has the knack for finding the open player on the floor.

"Her ball handling skills are what allows her to do a lot of this," Lamar said.

Lamar said Mack also has great vision on the floor.

"That allows her to find where the girls come open," Lamar said.

Lamar said Mack is also a student-athlete with high character and humility.

"She plays with her heart. She never celebrates. She could finish with 50 points or 34 points, she walks off with the same humility," Lamar said.

Shishmaref standout named 1A's top player
 By Jeremiah Bartz | Frontiersman.com

Edward Kokeok garnered a rare honor for a freshman when the Shishmaref standout graduated to the level of high school basketball. Kokeok was named a captain as a ninth grader. In the last three years, Kokeok has worked his way into the top tier of 1A players. Now, Kokeok is receiving an ultimate honor.

Kokeok has been named the Knight's Taxidermy/Alaska Association of Basketball Coaches 1A Boys Player of the Year.

"I would say, I think he ranks in the top 2, if not the best," Shishmaref head coach Tyler Ivanoff said before the final votes were tallied.

And Kokeok still has another year of high school ball, and a high ceiling, Ivanoff said.

"I think he could play college ball," Ivanoff said.

Kokeok is among the state scoring leaders at the 1A level, averaging about 25 points per

game. Ivanoff said Kokeok, at 6-foot, plays like a small forward. But in reality, he can do much more.

"He can play all positions," Ivanoff said.

Kokeok's offensive statistics pop, with 24 points and four assists per game. He's also pulling down about seven boards a game, while shooting better than 60 percent from the floor.

But there's more.

"His strength, he focuses on defense," Ivanoff said. "He's a great defensive player."

Kokeok's value exceeds statistics, Ivanoff said.

"He's a natural team leader. He leads by example," Ivanoff said.

"He works extra hard on everything he does."

Ivanoff said Kokeok is also an all-around athlete. In the fall, Kokeok won the district meet and qualified for the state cross-country running meet. He also stands out on his school's Mixed 6 volleyball squad.

NOTE: These awards & teams are voted on by Alaska basketball coaches who are members of AABC. ASAA doesn't vote or manage this in anyway. ASAA publishes these awards because it recognizes kids who worked hard throughout the season and our partnership with the AABC. ASAA encourages coaches associations.

Teamwork provides perfect backdrop
for family working together in Alaska

DENALI PRINCESS WILDERNESS LODGE®

The Shreeve Family knows the importance of teamwork. We're not just related, we are also co-workers at Denali Princess Wilderness Lodge. Knowing how to best support my team, whether we're at home, work, or on the field is a skill I learned while participating in Ketchikan High School's football and basketball programs.

Just as important as supporting my teammates on the field was watching my dad support me from the sidelines. One time he drove all the way from the Lodge to Delta Junction just to watch me play in an away game. ASAA builds valuable skills and camaraderie between players and families alike.

The Shreeves are proud to work for a company who sponsors the Alaska School Activities Association (ASAA), providing today's young Alaskans with 34 sports and activities to enrich their lives and ensure Alaska's future. We can't wait for the next generation to start participating!

Central Bering Sea Fishermen's Association

The Central Bering Sea Fishermen's Association (CBSFA) is the management organization for St. Paul Island under the Western Alaska Community Development Quota (CDQ) Program. Since the program was created in 1992, the federal government has been awarding various species of fish (CDQ allocations) from the Bering Sea and Aleutian Islands commercial fisheries to CBSFA. In turn, CBSFA manages these allocations to promote social and economic development at St. Paul Island.

Cordova standout a leader on and off the court

By Jeremiah Bartz | Frontiersman.com

Late in the season as the Cordova Wolverines were fighting illness and injury, their senior leader, Abby Bourgeois, was forced to the sideline with an injury of her own.

The Wolverines suffered late-season losses, but Bourgeois battled and found her way back to the floor.

And it could not have come at a better time. Bourgeois returned for the Interior Conference Championships and helped Cordova upset top-seeded Nenana in the region final.

"Nobody expected us to beat Nenana," Cordova head coach Brad Sjostedt said.

The return of Bourgeois was definitely a key to the win, Sjostedt said. Now, Bourgeois is not only seen as a top player on her team, but also among the best in her class. Bourgeois has been named to the first team of the Knight's Taxidermy/Alaska Association of Basketball Coaches 2A Girls All-State Team.

Bourgeois hit the late free throws that gave Cordova the 29-27 win over Nenana in the conference final. But that wasn't the only impact the senior made in the win.

"Abby's ability to weave through their defense, get a few transition points, a couple of steals," Sjostedt said.

Bourgeois is not the player that's going to pour in 20 every night, Sjostedt said, but the senior brings so much more to the court.

"She's more of an all-around playmaker," Sjostedt said.

Bourgeois handles the ball, is among the team's leading rebounders and leads the team on and off the court, Sjostedt said.

"She makes the biggest impact on our team," Sjostedt said.

Sjostedt said Bourgeois can lead in a variety of ways.

"She's not bossy. She doesn't have to be that way for people to know to follow her direction," Sjostedt said.

Glennallen father and son earn state honors

By Jeremiah Bartz | Frontiersman.com

Aidan Fields grew up on the court, as part of a basketball family, a Glennallen basketball family. Now Fields, can share some recognition with his dad, James Fields, the head coach of the Glennallen boys' basketball squad. Fields has been named to the first team of the Knight's Taxidermy/Alaska Association of Basketball Coaches 2A Boys All-State Team. Fields has been named the 2A boys coach of the year.

Aidan's step-sister, Arianna, a former Glennallen standout, was the 2015 2A girls player of the year. His younger brother Jamison is a junior and starter on the Glennallen varsity team. There are three more children in the Fields family, including 6-year-old CJ, who already wears a size eight shoe.

"Future Glennallen player for sure," James said.

James said, while there are difficulties that come from coaching your own children, basketball is a way for the Fields family to bond.

"They handle it well," James said of his sons. "I have high expectations for them. They take my criticisms. For that I'm proud of them. We don't take it home."

James has been involved with Glennallen basketball four about 12 years. Eric Stockhausen, who is now the head coach of the Ketchikan boys program, got James involved. With his dad coaching, Aidan grew up in the gym. Now Aidan is among the best in the state.

James said his son is his team's main ball handler and distributor. He can move the ball and he can score. Aidan is a skilled player, but James said it's how his son handles himself on the floor that stands out to people.

"Most people notice his very calm demeanor," James said.

James called Aidan a, "free spirit," and said his son doesn't allow his emotions to dictate his play.

"He doesn't get up, he doesn't get down. Whether he's making a great play or turning the ball over, he stays even."

Aidan is averaging about 18 points and four rebounds a game.

The 5-foot-10 guard is also shooting nearly 40 percent from beyond the arc. Aidan also helped Glennallen earn the No. 2 seed in the 2A boys state tournament bracket.
