# Welcome

Welcome to the 2019 ASAA/First National Bank Alaska World Language Declamation State Championship! The staff at ASAA joins our schools, coaches, parents and communities in congratulating all the students who have qualified for this state culminating event. Speaking and listening skills that have been honed through learning a second language will be a valuable asset as these students further their education and enter the competitive world of work. Co-Directors Kristi Senden and Juan Vazquez, along with the staff at West Anchorage High School, have been working diligently to prepare for this annual championship competition. They, along with many volunteers from Anchorage deserve your sincere thanks.

## ***Event Descriptions***

### **CULTURE TRIVIA**

Students take a 50-question test based on the cultures of their target language. Most of the multiple choice questions are taken from Teachers Discovery Culture Trivia. Students in 1st and 2nd levels take the test in English, while 3rd and 4th level students take the test in their target language.

### **POETRY RECITATION**

Students memorize and deliver classic and contemporary poems in their target language. They recite two poems -one required and one alternate of their choice from an approved list. Students are judged on memorization, pronunciation, delivery and expression.

### **DIALOGUES & IMPROMPTU**

Students use their knowledge and language skills to respond to real-world questions. After each student or pair of students (for dialogues) selects a different question, they have two minutes to prepare. This contest is a true test of a student's fluency and spontaneity in the target language.

# DENALI PRINCESS WILDERNESS LODGE®

The Shreeve Family knows the importance of teamwork. We're not just related, we are also co-workers at Denali Princess Wilderness Lodge. Knowing how to best support my team, whether we're at home, work, or on the field is a skill I learned while participating in Ketchikan High School's football and basketball programs.

Just as important as supporting my teammates on the field was watching my dad support me from the sidelines. One time he drove all the way from the Lodge to Delta Junction just to watch me play in an away game. ASAA builds valuable skills and camaraderie between players and families alike.

The Shreeves are proud to work for a company who sponsors the Alaska School Activities Association (ASAA), providing today's young Alaskans with 34 sports and activities to enrich their lives and ensure Alaska's future. We can't wait for the next generation to start participating!
