WELCOME

On behalf of the Alaska School Activities Association (ASAA) Board of Directors and ASAA's corporate partners, welcome to the 2021 ASAA First National Bowl Football State Championships! To the student-athletes, we applaud your dedication to doing your best for yourself and for your school. To the coaches, counselors and parents, thank you for continuing to support interscholastic sports and activities. And to the spectators, we appreciate you being part of this statewide championship event.

Billy Strickland
ASAA Executive Director

The Alaska School Activities Association is a statewide nonprofit organization established to direct, develop and support Alaska’s high school interscholastic sports, academic and fine arts activities.

MISSION STATEMENT

Strengthen student wellness, academic and social development by advocating equitable participation and fostering healthy competition for ALL Alaska students. #winforlife

VISION STATEMENT

To ensure ALL students have the opportunity to participate in co-curricular activities to develop positive life skills. #winforlife

Keeping Alaskans Connected

WE'RE TEAMING UP!

Giving all Alaska students the opportunity to join in activities and reach their goals.

Thanks to our loyal customers and committed employees, ACC has grown to 35 retail stores throughout the state. Together with our meat processing plant, North Star Quality Meats, and our wholesale division, Pacific Alaska Wholesale, we strive to meet the food and merchandise needs of the communities we serve.

Sponsoring ASAA provides ACC with great opportunity to extend that same dedication to the youth of our villages.

Alaska Commercial Company, serving rural Alaska since 1867

THE HISTORY OF ASAA

ASAA's roots predate statehood. In the early 1950s, school leaders in the Territory of Alaska recognized the need to separate the high school basketball program from the local town business leagues. William Zahradnicek of Palmer, and W.W. Lahnum and Gordon Guffey of Anchorage, joined forces to organize the Western Alaska High School Activities Association with a mandate to ensure the necessary educational leadership. Sterling Sears of Juneau and Les Wingard and J.E. Danielson of Ketchikan were moving ahead at the same time to form the Southeast Alaska Activities Association.

In 1956, the Territorial Department of Education Superintendents Advisory Commission determined the need for an organization that could establish common rules and regulations to guide the activities of the two associations. In the Fall of 1957, the commission approved the Constitution and Bylaws of the Alaska High School Activities Association (ASAA). Officers representing the two divisions were elected. The first Board of Control consisted of William Zahradnicek, Palmer, as Chairman, J.E. Danielson, Ketchikan, Secretary-Treasurer; and members George McMillan, Juneau, Joe Montgomery, Anchorage, and Sterling Sears, Juneau.

This informal arrangement worked very well until the early 1970s, when the State Legislature added a section to the Educational Statutes placing the Association under the Department of Education. School populations and the number of participating schools were increasing. After many meetings, the two original associations became five distinct Regions based on school size and geographic location. One year later, in 1976, Regions increased to six. The new Board of Control consisted of one member from each Region, a representative of the Association of Alaska School Boards, and a representative of the Superintendents Association. In 1978, the board added a representative of the Alaska Association of Student Governments.

Due to the increasing number of schools participating in boys and girls basketball, the need for additional statewide culminating events became evident. This required the formation of a classification system that spanned all of the Regions. This task fell to a committee composed of representatives from all six Regions. It was known as the "Black and Blue" Ribbon Study Commission because of the difficulties faced in satisfying the needs of each Region. In June 1981, the Board of Control adopted the Commission's recommendation to establish four classifications based on school enrollment with some overlap in the two smallest classes due to geographic location. The first statewide event for the smaller classes was an invitational basketball tournament held in Anchorage in 1983-84.

In 1986, the Department of Education eliminated funding for ASAA. The Board of Control voted to incorporate as a 501(c)(3) non-profit corporation, beginning July 1, 1987. Because of ongoing jurisdictional issues between the Association and the State of Alaska, both entities sought a legal resolution. This resulted in the 1995 repeal of the Legislative Statute that had placed ASAA under the Department of Education.

In 2007, in order to ensure consistent tobacco, alcohol and controlled substances policies by member schools and districts, the Board of Directors adopted the "Play for Keeps-Win for Life" program for all student participants. In 2011, the Alaska Legislature passed House Bill 15, (amended in 2012 under Senate Bill 119), that sets standards for concussion awareness, education, treatment and return to participation protocols. ASAA developed recommended policies and procedures to assist in the implementation of the law. In 2013, the Alaska Legislature passed Senate Bill 41 that addressed interscholastic participation by "alternative education program students." ASAA developed bylaws and policies to assist schools, students and families in the implementation of the statute.

Currently, the Alaska School Activities Association serves over 200 schools and 26,000 student participants. These student participants are active in 22 athletic activities and 6 academic activities culminating in 54 State Championship events! Without the support of the schools, students, coaches/advisors, parents, and fans ASAA couldn't be as successful as it has been since 1956. **THANK YOU!**

Coaching Boys INTO MEN

CoachesCorner.org

Athletic coaches play an extremely influential and unique role in the lives of young men. Because of these relationships, coaches are poised to positively influence how young men think and behave, both on and off the field.

Coaching Boys Into Men (CBIM) is the only evidence-based prevention program that trains and motivates high school coaches to teach their young male athletes healthy relationship skills and that violence never equals strength.

*"When you add it all up, no other camp ANYWHERE comes close to matching All Alaska Football Camp. Camp founder and Director, Randy Klingenmeyer, has been an unsung hero of Alaska football for decades."
~ Galen Brantley, Head Coach SoHI Stars*

Champions Forged Here

For 30 years, Randy Klingenmeyer has made Alaska football safer and more competitive.

Inside Alaska's football community, Randy Klingenmeyer's contributions are well known. As longtime Director of the **All Alaska Football Camp**, Randy has helped nearly 10,000 student-athletes become better football players since 1992. And, behind the scenes, Randy has helped nearly 2,000 players realize their dream of an opportunity to play college football.

Anyone who knows Alaska football will tell you that the sport is what it is today in large part thanks to the passion, commitment, perseverance and dedication of Randy Klingenmeyer.

*"I attended more than a dozen football camps, but the All Alaska Football Camp was the ONE camp I went to every year. What other camp offers 20+ college coaches from around the country? Randy Klingenmeyer has been a positive influence throughout my career."
~Conor Feckley, QB, University of Dubuque*

Athletes As Leaders

AthletesAsLeaders.org

Athletes As Leaders (AAL) is a program for high school athletes on girls' sports teams. The program aims to empower youth to take an active role in challenging stereotypes, promoting healthy relationships and creating a safe and welcoming community for all.

AAL is based on research and best practices in the field of sexual assault prevention. Athletes are encouraged to be leaders in changing peer norms and school climate to a culture of safety and respect.

Play for Keeps

ALASKA SCHOOL ACTIVITIES ASSOCIATION

Play for Keeps is a statewide Tobacco, Alcohol and Controlled Substance program focused on students participating in high school interscholastic activities.

The program is designed to reinforce good decisions and a healthy lifestyle for young people.

WIN FOR LIFE!

Presented By:

Shaping Tomorrow

For over 30 years, we've helped Alaska's youth become tomorrow's leaders. We're proud to support ASAA as the Title Sponsor of championship and main events.
