WELCOME

to the CELEBRATION of CHAMPIONS

Dear Athletes, Coaches, Sponsors, and Fans,

On behalf of the Alaska School Activities Association Board of Directors, welcome to the ASAA First National Bowl Flag Football and Football State Championships! We are excited to gather for this pinnacle event, where Alaska's finest high school teams compete for state titles. Today is the culmination of months of dedication, teamwork, and determination, and we are honored to celebrate the achievements of these student-athletes. Football teaches resilience, leadership, and the power of unity, values that will carry you far beyond the field.

To the athletes, this is your moment to shine, and we commend you for the hard work, discipline, and passion you've demonstrated throughout the season. Whether this is your first time at the state championships or you're returning for another shot at victory, know that you have made your communities proud. To our corporate sponsors, we express our deepest gratitude for your unwavering support of ASAA and our student-athletes.

Your contributions are vital to making these championships possible and to helping us provide enriching experiences for young athletes across the state. To the coaches, families, and fans, thank you for your endless support, guidance, and enthusiasm. You are an integral part of the journey, and your encouragement fuels the success of these teams. The energy and excitement you bring to the stands make this event truly special.

Good luck to all teams—let's enjoy a fantastic day of football!

Billy Strickland
ASAA Executive Director

HISTORY OF ASAA

ASAA's roots predate statehood. In the early 1950s, school leaders in the Territory of Alaska recognized the need to separate the high school basketball program from the local town business leagues. William Zahradnicek of Palmer, and W.W. Lahnum and Gordon Guffey of Anchorage, joined forces to organize the Western Alaska High School Activities Association. Sterling Sears of Juneau, Les Wingard, J.E. Danielson of Ketchikan were moving ahead at the same time to form the Southeast Alaska Activities Association with a mandate to ensure educational leadership.

In 1956, the Territorial Department of Education Superintendents Advisory Commission determined the need for an organization that could establish common rules and regulations to guide the activities of the two associations. In the Fall of 1957, the commission approved the Constitution and Bylaws of the Alaska High School Activities Association (ASAA). Officers representing the two divisions were elected. The first Board of Control consisted of William Zahradnicek, Palmer, as Chairman, J.E. Danielson, Ketchikan, Secretary-Treasurer; and members George McMillan, Juneau, Joe Montgomery, Anchorage, and Sterling Sears, Juneau.

This informal arrangement worked very well until the early 1970s, when the State Legislature added a section to the Educational Statutes placing the Association under the Department of Education. School populations and the number of participating schools were increasing. After many meetings, the two original associations became five distinct Regions based on school size and geographic location. One year later, in 1976, Regions increased to six. The new Board of Control consisted of one member from each Region, a representative of the Association of Alaska School Boards, and a representative of the Superintendents Association. In 1978, the board added a representative of the Alaska Association of Student Governments.

Due to the increasing number of schools participating in boys and girls basketball, the need for additional statewide culminating events became evident. This required the formation of a classification system that spanned all of the Regions. This task fell to a committee composed of representatives from all six Regions. It was known as the "Black and Blue" Ribbon Study Commission because of the difficulties faced in satisfying the needs of each Region. In June 1981, the Board of Control adopted the Commission's recommendation to establish four classifications based on school enrollment with some overlap in the two smallest classes due to geographic location. The first statewide event for the smaller classes was an invitational basketball tournament held in Anchorage in 1983-84.

In 1986, the Department of Education eliminated funding for ASAA. The Board of Control voted to incorporate as a 501(c)(3) non-profit corporation, beginning July 1, 1987. Because of ongoing jurisdictional issues between the Association and the State of Alaska, both entities sought a legal resolution. This resulted in the 1995 repeal of the Legislative Statute that had placed ASAA under the Department of Education.

In 2007, in order to ensure consistent tobacco, alcohol and controlled substances policies by member schools and districts, the Board of Directors adopted the "Play for Keeps-Win for Life" program for all student participants. In 2011, the Alaska Legislature passed House Bill 15, (amended in 2012 under Senate Bill 119), that sets standards for concussion awareness, education, treatment and return to participation protocols. ASAA developed recommended policies and procedures to assist in the implementation of the law. In 2013, the Alaska Legislature passed Senate Bill 41 that addressed interscholastic participation by "alternative education program students." ASAA developed bylaws and policies to assist schools, students and families in the implementation of the statute.

Currently, the Alaska School Activities Association serves over 200 schools and 26,000 student participants. These student participants are active in 22 athletic activities and 6 academic activities culminating in 54 State Championship events! Without the support of the schools, students, coaches/advisors, parents, and fans ASAA couldn't be as successful as it has been since 1956. **THANK YOU!**
