

Win for Life

Published Monthly by the Alaska School Activities Association

"Self Portrait" drawing by Abigail Veliz-Magana of Eagle River High School
Congressional Award Winner

"A" is for Activities

Billy Strickland, Executive Director

The third "A" in ASAA's name is for "Activities." Schools attempt to offer a wide variety of activities in order to connect with a wide variety of students. On April 21, ASAA unveiled the 2017 ASAA/First National Bank Alaska All-State Art Competition. It can be found at <http://artalaska.org>. Congratulations to Eagle River High School student, Abigail Veliz-Magana, for being named the Congressional Award Winner. Her winning drawing entitled "Self Portrait" will be displayed in the US Capital.

On May 12-13, ASAA is excited to host the 2017 ASAA/First National Bank Alaska Solo & Ensemble Music Festival. Students from all over the state will be judged on their performances with command performances being held Friday and Saturday night at East Anchorage High School. These events, along with Debate, Drama and Forensics, World Language, and Student Government, give the same life time benefits as ASAA's other activities. I appreciate our member schools providing students with these opportunities and I am always awed by the talents of our student artists. Be sure to check out the Art website and, if possible, attend the upcoming music event.

Alaska High School Hall of Fame

Sandi Wagner, Associate Director

As part of its 50th anniversary in 2006, Alaska School Activities Association (ASAA) initiated the Alaska High School Hall of Fame to "identify and honor in a permanent manner, those individuals who have exhibited high ethical standards and integrity while achieving excellence in high school athletics and activities in the state of Alaska; as well as others who have distinguished themselves by virtue of exemplary contributions to the advancement of interscholastic athletics and activities in the state."

On Sunday May 7th we induct eleven members of the Class of 2017. We celebrate the academic achievements of one administrator, the athletic achievements of four athletes, the accomplishments of five outstanding coaches, and the dedication of one contributor. These inductees demonstrate the synergy and effectiveness of interscholastic participation, and demonstrate the life long values of sportsmanship, integrity, teamwork, self-discipline, loyalty and cooperation that are instilled by ASAA activities. Visit the [Alaska High School Hall of Fame website](#).

Student Government

Denise Greene-Wilkinson, AASG Executive Director

The Alaska Association of Student Governments Spring Conference was held March 20-22 at Thunder Mountain High School in Juneau, and everyone agrees it was a huge success! The conference was even front page news in the Juneau Empire for two days running. Nearly 300 students representing schools statewide attended the conference, which included a full interactive tour of the National Oceanic and Atmospheric Administration facility, workshops hosted by Alaska legislators, a visit to the capital to see the legislature in action, a performance from the school's production of Beauty and the Beast, a presentation from Dr. Rosita Worl, President of the Sealaska Heritage Institute, along with many fun and exciting social activities.

Our Spring 2018 Conference will be hosted by Tri-Valley School in Healy April 26-28, 2018. Conferences are an exciting opportunity for both the students that attend and the schools that host them. Please go to the conference page on the [AASG website](#) for more information and the application forms to host our Fall 2017 or Fall 2018 AASG statewide conferences.
