Welcome to March Madness

On behalf of the Alaska School Activities Association Board of Directors and ASAA’s corporate partners, welcome to the 2015 First National Bank Alaska State HS March Madness Basketball Championships!

Student-athletes, we applaud your dedication to doing your best for yourself and for your school. Coaches, counselors and parents, thank you for continuing to support interscholastic sports and activities. And, to the spectators, we appreciate your being part of this statewide championship event.

Billy Strickland, Executive Director

Alaska School Activities Association celebrates partnership with First National Bank Alaska Local Alaska bank impacts thousands of students in Alaska schools

Twenty-five years ago, First National Bank Alaska made a pivotal decision with statewide impact when it became title sponsor of Alaska School Activities Association championship events. At the time, ASAA had lost financial support from the State of Alaska and First National came through when no other company did. Earlier this year, the bank renewed its contract for the next three school years (2014-15, 2015-16 and 2016-17).

“Financial support from a local business like First National makes high school championship activities possible in a state as large as Alaska,” West Anchorage High School teacher and coach Tim Davis said. “We live in a unique place with unique challenges. From Barrow to Ketchikan and all points in between, First National helps create a vibrant learning environment for each and every student.”

“I see it every day in the classroom and on the field of play.”

With its annual gift of $75,000, First National supports a variety of state championship events for students participating in extracurricular activities, ranging from athletics to the arts.

“During its quarter-century of support, the bank has donated more than $2.1 million, countless hours of employee volunteer time and directly supported some 450,000 Alaska students,” ASAA Executive Director Billy Strickland said. “History shows that the bank really stepped up when ASAA needed it the most.

“It’s because of the bank’s leadership that high school activities continue to thrive in the state.”

“First National’s investment in Alaska’s students — and the attributes, skills, and competencies the students learn while striving to achieve individual and team goals — is also an investment in Alaska’s future success,” First National President and Vice Chair Betsy Lawer said. “As the title sponsor, we wanted to set an example for other Alaska businesses and pave the way for ASAA to achieve its mission of adding value to the lives of the state’s young people.”

All FNBA/ASAA championship event information can be found on the ASAA website: www.asaa.org.

“We’re a non-profit group operating during fluctuating economic times, so we truly appreciate the continued support from First National to develop Alaska’s hope for the future,” Strickland said.

Sportsmanship Creed

“This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN—NOT A FANATIC.”

Leading Alaska's active teens

At Providence, we believe that active teens become active adults – living happy, healthy lives. Kikkan Randall agrees. She grew up running, skiing and hiking around Alaska. Today, she’s America’s Olympic cross-country skiing star.

Providence supports Alaska’s teens and role models like Kikkan Randall by providing programs and services that encourage healthy lifestyles for all Alaskans.

Providence – you have our word.

Shishmaref guard named 1A’s top player

By JEREMIAH BARTZ
frontiersman.com

Big things can come in small packages. Denise Fernandez may stand at just 5-foot-2, but the Shishmaref junior certainly plays much bigger.

“As far as my guards, she’s the most physical, does the most rebounding of my guards,” Shishmaref head coach Jordan Wallin said recently of Fernandez, who has been named the Alaska Roof Coatings/Alaska Association of Basketball Coaches 1A Girls Player of the Year.

This also marks the second straight year Fernandez has been named first-team all-state, and the third time she has been recognized by the AABC. Fernandez was named third-team all-state as a freshman.

Overall, Wallin said Fernandez has evolved both as a player and a person.

“She’s matured a lot this year, in terms of not only her style of play, but in her attitude and demeanor on and off the court,” Wallin said.

With her aggressive play, Wallin said Fernandez is an asset on the defensive end. Fernandez also provides a luxury for Shishmaref, Wallin said. Teams need to guard Fernandez, but if opponents pay too much attention to Fernandez, Wallin said Shishmaref has the supporting cast to do damage.

Fernandez is averaging 19.6 points per game.

I was born and raised in Alaska, but in high school, I was just as uncertain about the future as my classmates.

Thankfully, I was blessed to participate in several ASAA activities and sports that helped put my future on the right track.

As a participate of East High School Student Government and soccer team, I learned the value of teamwork and proactive participation. Today, as Princess Guest Services Manager for the Anchorage Transportation and Guest Services Division, my life is still right on track.

I’m proud to work for a company who sponsors the Alaska School Activities Association (ASAA), providing today’s young Alaskans with 22 sports and activities to enrich their lives and ensure Alaska’s future.

Scammon Bay standout emerges as 1A’s top player
By JEREMIAH BARTZ
frontiersman.com

After spending the first two years of high school in Scammon Bay, Angel Medina moved with family to Bethel. But Medina was able to return home to Scammon Bay for his senior season.

Medina came back to the Scammon Bay boys basketball program with a renewed drive and dedication, Scammon Bay head coach Harley Sundown said recently. Medina spent time in the weight room getting stronger, and extra time on the court honing his skills.

All the extra work is paying off for the Scammon Bay senior. Scammon Bay is 24-0, the Lower Yukon Conference champion and a team in the 2015 1A state tournament. And Medina has been named the Alaska Roof Coatings/AABC 1A Player of the Year.

As an underclassman with Scammon Bay, Medina was a talented player, Sundown said, but as a younger player, Medina may not have had the confidence.

That’s not an issue now. “This year, he came here ready to play ball. His body has matured completely. His mind has matured completely,” Sundown said.

Standing at 6-foot, Medina does a lot of things for Scammon Bay, Sundown said. Scammon Bay prefers an up-tempo style of play, with full court defensive pressure. Medina’s skill set, Sundown said, allows him to be an asset for Scammon Bay at both ends of the floor. He currently leads the team in scoring, averaging 17 points per game. He’s also averaging about 10 rebounds and five steals per game.

Glennallen standout named 2A’s top player

By JEREMIAH BARTZ
frontiersman.com

Great players rise to the challenge. This year, Glennallen senior standout Ariana Dougall played some of her best basketball when facing some of the biggest challenges. The 2A standout scored 30 or more points twice against 3A opponents, and 24 against a third.

“She rises to the occasion,” Glennallen head coach Jim Lorence said recently. “She wants to compete at the highest level. She rises to whatever challenges are in front.”

Dougall has also risen to the top of the 2A ranks. The Glennallen senior has been named the Alaska Roof Coatings/Alaska Association of Basketball Coaches 2A Player of the Year.

This also marks the second straight year that Dougall has been named first-team all-state, and the third time she’s been recognized by the coaches association. Dougall was a second-team selection as a sophomore.

Dougall is a four-year starter for the Panthers. The senior point guard has led Glennallen to three straight conference titles, and three straight trips to the state tournament. Glennallen was third in 2013 and fourth last year.

Throughout her prep career, Lorence said Dougall’s game has continued to evolve. She’s always been able to score for the Panthers. Dougall passed the 1,000 career points mark early this season, and she’s expected to hit 1,500 career points during the first round of the 2A tournament. Dougall enters the state tourney with 1,494 career points.

She’s averaging 24.6 points per game as a senior. Earlier this season, Dougall scored 31 points against a Valdez team that recently won the 3A Aurora Conference title. She also scored a season-high 40 points against Tok.

But there’s more to her game. Lorence said she handles the ball well as the team’s point guard, and is very aggressive on the defensive side. She’s always shot well from the perimeter, but her ability to attack the basket and finish has rounded out her game, Lorence said.

Lifelong Ram enjoys first-team honors

By JEREMIAH BARTZ  
frontiersman.com

Dawson Matthews has spent his entire life on the Susitna Valley Jr./Sr. High School basketball court. Matthews spent most of his life on the sidelines as his father, longtime Su Valley boys head coach Mike Matthews, worked with his team. But for the last four years, Dawson Matthews was a big part of the boys program as a player.

“He grew up as a Su Valley Ram ever since he was a little baby,” Mike Matthews said of Dawson, who has been named to the first team of the Alaska Roof Coatings/Alaska Association of Basketball Coaches 2A Boys All-State Team.

Mike Matthews said Dawson is the first Su Valley boys basketball player to be named first-team all-state in more than two decades. It’s probably fitting that feat was achieved by a player who spent nearly two decades around the program. Mike Matthews said he has been coaching with the Rams for most of the 21 years that he has lived in Talkeetna. Throughout the years, Dawson has been right there. Dawson is also following in the footsteps of his older brother Paxson, a former Rams player.

“As soon as he could dribble a basketball player, he’s been a little spark plug. Super competitive,” Mike Matthews said of Dawson.

Matthews said Dawson grew up around the varsity team. When it became his turn to hit the floor in Su Valley’s blue and gold, became a quick competitor for the Rams.

“His been a leader on our team for a long time,” Matthews said.

Matthews described Dawson as a point guard, shooting guard mix. But that doesn’t mean Dawson camps out on the perimeter. Dawson typically leads the Rams in just about every statistical category. This year, Mike Matthews said, Dawson even led the Rams in rebounding. Dawson Matthews averaged just about 20 points, nearly seven rebounds and three assists per game as a senior.

Mike Matthews admits he’s a bit biased, but believes Dawson is as talented as any player he’s coached. He also lauded his son’s work ethic and drive.

“I’m proud to be his dad. He’s a hard worker. The way he leads his team all the time is pretty fantastic,” Mike Matthews said.

This is the third time Dawson Matthews is being recognized by the coaches association. He was named second-team all-state as a sophomore and a junior.

Dawson Matthews also excels in the classroom. He has a 3.96 grade point average. His GPA is greater than 4.0 when advanced placement courses are factored in.

**Marian Wamsley stands out**

By JEREMIAH BARTZ  
frontiersman.com

When asked what allows Marian Wamsley to stand out, Valdez High girls basketball coach Doug Fleming had a quick answer.

“Her personality,” Fleming said recently. Even during stellar moments on the basketball court, it’s Wamsley’s personality and character that stands out, he said. Earlier this season, during a game at Anchorage Christian School, Wamsley hit 1,000 points for her career. Fleming called a timeout to allow the Valdez senior standout to enjoy her moment. In the huddle, Fleming said, Wamsley told her teammates, “that’s not my 1,000th point, that’s our 1,000th point.”

That moment captured the true character and personality of Wamsley, Fleming said.

“To me that spoke volumes about her personality. It wasn’t just about her getting her 1,000th point. She made it about them, as well as her,” Fleming said of Wamsley, who has been named the Alaska Roof Coatings/Alaska Association of Basketball Coaches 3A Girls Player of the Year.

Wamsley was also named first-team all-state for the second straight year and recognized by the AABC for the third time in her career. Wamsley was a third-team selection as a sophomore.

Wamsley was named first-team all-state for the second straight year and recognized by the AABC for the third time in her career. Wamsley was a third-team selection as a sophomore.

Wamsley, who will play Division II basketball at UAF in the fall, is key to the success of the Buccaneers in a variety of ways, Fleming said. This year, Valdez, which recently won the Aurora Conference title, has not had to rely as much on Wamsley on the offensive end. But even though her points per game may not be where it was last year, Fleming said, the 5-foot-10 post helps her team be successful in so many different ways.

“Her personality and work ethic. She beams on and off the court,” Fleming said. “She’s always gives 100 percent.”

Fleming said Wamsley’s personality has rubbed off on her teammates.

“That’s what’s so amazing about this year. We have nine (players) that have her personality,” Fleming said. “She’s a senior. They’ve learned to emulate Marian.”

Fleming said Wamsley also excels academically and in other extracurricular activities. She’s a member of the pep band, has performed with the school choir and holds a 4.0 grade point average. Fleming joked, Valdez even had to delay tip-off momentarily in one contest because Wamsley sang the National Anthem before the game.

“She’s an amazing, great young lady,” Fleming said.

Wamsley is the first Valdez athlete to win the 3A girls player of the year award in school history.

**PLAYER OF THE YEAR: LEVI AUBLE, ANCHORAGE CHRISTIAN SCHOOL**

*By JEREMIAH BARTZ, frontiersman.com*

Jalon McCullough has helped the Monroe Catholic Rams win a lot of basketball games. The Monroe senior is a four-year varsity player for the three-time defending 3A boys state champions. In the past, McCullough’s roles on the team were more specific, more specialized. But as McCullough worked his way through the program the last four years, working to improve, Monroe head coach Frank Ostanik said McCullough evolved, and has become an all-around player and leader for the Rams.

“He came into our school known as a tremendous shooter, great ball handler. Now people recognize him as a very good defender, very good teammate, a guy who can do everything as a basketball player,” Ostanič said recently of McCullough, who has been named to the first team of the Alaska Roof Coatings/Alaska Association of Basketball Coaches 3A All-State Team.

Ostanič said McCullough entered his program as a talented young player. Since McCullough, has done a good job of adapting and embracing to his role on the team, whether it may be. Ostanič said part of what makes McCullough special is his willingness to do what helps the team, rather than focusing on instant gratification or individual pursuits.

“What’s unique is his role has changed every year,” Ostanič said.

---

**COACH OF THE YEAR: JASON BOERGER, GRACE CHRISTIAN SCHOOL**

As a freshman, Ostanič said, McCullough earned minutes off the bench, but may not have played as much in big games. As a sophomore, McCullough became the first guard off the bench.

“A lot of kids, if they’re not starting their sophomore year, they’re out. Instead, he just said, hey I’m going to get better every day. I want to be a great teammate. I want to win,” Ostanič said. “His junior year, he was a starter from Day 1 for a team that went 28-0.”

McCullough remains a fixture in the Monroe starting lineup, and is the leader of a group of athletes hungry to push Monroe into the 3A state title game for the fifth straight year.

Heading into the state tournament, McCullough was averaging 16 points per game. The senior point guard has 73 assists, compared to only 30 turnovers, and has collected 43 steals. McCullough has hit 66 three-pointers this year, and is shooting 41 percent from behind the arc.

Ostanič said McCullough plans to play at the next level, and has been named to the first team of the Alaska Roof Coatings/Alaska Association of Basketball Coaches 3A All-State Team.

“Wherever he goes, in four to five years, they’re going to say, man that kid was special,” Ostanič said.

2015 March Madness Alaska High School Basketball Championships
The Central Bering Sea Fishermen’s Association (CBSFA) is the management organization for St. Paul Island under the Western Alaska Community Development Quota Program (CDQ). Since the program was created in 1992, the federal government has been awarding various species of fish (CDQ allocations) from the Bering Sea and Aleutian Islands commercial fisheries to CBSFA. In turn, CBSFA manages these allocations to promote social and economic development at St. Paul Island.

Teams: Saint Paul Sea Parrots, New Stuyahok Eagles, Newhalen Malamutes, Port Alsworth Lynx

CBSFA sponsored St. Paul Island’s First Round Robin Basketball Tournament in February 2015

Central Bering Sea Fishermen’s Association

Our mission is to develop a viable, self-sustaining, independent fisheries development organization that, on behalf of the local fishermen, and the community of St. Paul as a whole, and in cooperation with other Bering Sea Coastal Communities and CDQ groups, will ensure key participation in fishery-related development in the region while exercising proper resource stewardship.

Colony senior ready to cap career with success

By VAN WILLIAMS
assa365.com

PALMER — As one of the best high school girls basketball players in the state, Faith Farris of Colony is repeatedly asked about her plans to play college basketball. Coaches, fans, pretty much everyone asks the same question.

“I get that all the time, especially as it’s getting close to the end of the season, everybody is like, ‘Where are you planning to play in college?’” Farris said. “I tell them, ‘Oh, I don’t think I’m going to’ and everyone is always so surprised.”

She’s good enough to play in college so it’s easy to assume she would. Most kids would.

But she’s not like most kids.

The 18-year-old is as versatile as she is successful — an all-state player, honor-roll student, part-time model and wanna-be doctor.

“She’s a smart gal and she’s going to do some amazing things in her life,” Colony coach Jeff Bowker said.

The biggest reason why Farris isn’t going to play basketball in college is because she plans to work in the medical field and recognizes the academic commitment it’ll take to become a doctor.

“I’ve talked with a lot of basketball players that play in college and they said it’s more of a job when you get to college, and it’s so much more of your time,” she said. “So since I’ll be focusing on school, maybe it’s not the best choice for me putting so much time into something else. I think I’ve known this for a long time.

The 5-foot-8 guard is the centerpiece for fourth-ranked Colony [14-5]. She averages 15 points, 5 rebounds, 3 assists and 3 steals per game.

“I think she’s one of the three, four best players in the state,” Bowker said. “She’s fearless going to the basket and by the same token she is one of the best perimeter shooters out there.

“She’s long, so she can get steals and create havoc defensively. Offensively, she can shoot the ball against bigger girls. She’s a real strong competitor.”

Desmond Johnson has solid numbers

By JEREMIAH BARTZ
frontiersman.com

There’s a lot to measure in the game of basketball. Statistics, speed, vertical jump. Desmond Johnson has solid numbers in all of the above. But if you ask his head coach, Jason Jno-Lewis, there’s something else about the East Anchorage senior you can measure. And the results are off the charts.

“He’s an undersized guard with a big heart,” Jno-Lewis said. “He outworks everybody else on the court.”

The 5-foot-10 point guard currently leads the Thunderbirds in a number of statistical categories. Johnson, a first-team all-state selection for the second straight year, averages 20 points, 8 rebounds and 4.5 assists per game. He’s second on the team with 2.7 steals per game.

“His heart,” Jno-Lewis said recently of Johnson, who has been named to the first team of the 2015 Alaska Roof Coatings/Alaska Association of Basketball Coaches 4A Boys All-State Team.

“He’s affects the game in so many different ways,” Jno-Lewis said.

The rebounding numbers (5.7 defensive and 2.3 offensive) are a product of Johnson’s heart, Jno-Lewis said.

Johnson can score. He passed 1,000-point mark for his career earlier this season. But the assists show he can also distribute.

“He’s a phenomenal player,” Jno-Lewis said. “He makes everyone around him better.”

Johnson helped East win the Cook Inlet Conference title earlier this month. The T-Birds raced past rival West Anchorage 82-61 March 7 to earn the conference crown. In that game, Johnson fell two assists shy of recording a triple-double. Johnson finished with 16 points, 12 rebounds and eight assists.

Johnson will cap a stellar prep career during the 2015 4A state tournament, but Jno-Lewis said Johnson’s days on the basketball court are far from over. A number of schools are interested in Johnson, Jno-Lewis said.

WE’RE TEAMING UP!
Giving all Alaska students the opportunity to join in activities and reach their goals.

Thanks to our loyal customers and committed employees, ACC has grown to 35 retail stores throughout the state. Together with our meat processing plant, North Star Quality Meats, and our wholesale division, Pacific Alaska Wholesale, we strive to meet the food and merchandise needs of the communities we serve.

Sponsoring ASAA provides ACC with great opportunity to extend that same dedication to the youth of our villages.
Alaska’s future is on the line

First National Bank Alaska understands the method to what we’ve come to know as March Madness. Hard work, determination, teamwork and passion. These are the values that champions embrace, and these are the values that have powered and sustained Alaska’s success from the very beginning.

For 25 years, we have been supporting Alaska’s youth as ASAA’s title sponsor. We believe in Alaska. Our future depends on it.
