

2020 ASAA/First National Bank Tennis State Championships State Policies & Procedures

Date: Saturday, October 10, 2020
Location: Alaska Club East | Anchorage

The safety and well-being of our participants has always been at the forefront of ASAA's decision making process. Since respiratory droplets are the main factor in the spread of COVID-19, ASAA will be implementing several mitigations to protect those attending state championship events. These mitigations may include, but are not limited to:

- Monitory screening prior to entering an event.
- Decreasing the number of individuals allowed to participate.
- Decreasing the amount of fans allowed to attend.
- Requiring everyone to wear mask except when they are actively competing.
- Decreasing yelling by allowing some artificial noisemakers.
- Increase in the webcasting of events.

In doing so, ASAA believes state competitions can be done in a safe manner. We respectfully ask your assistance in making this happen.

State Championship Berths & Qualifiers:

Regions have the following state berths for each of the 5 divisions. State Qualifiers must participate in the division they qualified in.

- Region 3 - 1 State Berth
- Region 4 - 2 State Berths

- Region 6 - 1 State Berths

Thursday Oct. 8	6:00 PM	Coaches Zoom Meeting
Saturday Oct. 10	8:00 AM	Play Begins at Alaska Club East

Roster / Entry: ASAA is using PlanetHS for its School Activities Reporting System (SARS). Schools will need to indicate which students have qualified for state. This can be done by accessing the tennis varsity roster and indicating the student is a state qualifier. In addition, the State Championship Tennis Entry Form must be submitted. Both submissions are due by Sunday October 4th.

Match Format: Matches will be the best 2 out of 3 sets, regular scoring, with a 10 point match tie-breaker deciding the third set. Competitors will switch sides after every 6 points in all tie-breakers, including the 10 point match tie-breaker. The Championship Match will be the best 2 out of 3 sets with a full third set.

Seeding: A seeding committee made up of individuals (non-coaches) knowledgeable in high school tennis will be appointed by ASAA. Each coach will submit a seeding form (online) for any possible seeded athletes. A
