2022 ASAA MIX SIX/2A VOLLEYBALL STATE CHAMPIONSHIPS POLICIES & PROCEDURES

Rosters: ASAA is using PlanethS for its School Activities Reporting System (SARS). Schools will need to submit rosters and indicate which students have qualified for state through this system. This can be done by accessing the volleyball varsity roster. Enter jersey numbers and indicate only the students that will be attending state. Teams may have up to 12 players on the roster and in uniform. A copy of the submitted roster will be included in the coaches packet. Coaches must verify their official roster at the coaches meeting. Following the coaches meeting, NO CHANGES to roster personnel may be made. If jersey numbers change, coaches must notify scorekeepers and officials.

Entry Form: The State Championship Volleyball Entry Form must be filled out and submitted on line by 2pm on Sunday November 27th.

Practice Times: ASAA has limited practice time available - if you would like time on the Palmer courts , please contact Sandi Wagner (sandi@asaa.org)

Bench Area:

The bench area is for participants in uniform, managers and coaches only. The maximum number of individuals on the bench is 19 (6 on the floor, 13 on the bench). All individuals must be wearing their pass or be in uniform. Due to safety concerns, only individuals 7th grade or above may be in the team area during competition. Please clean up the bench area after your game.

Water: Water jugs will be provided - athletes should provide their own water bottle.

Locker Rooms: Palmer High School has locker rooms, however school is in session so they are not available all the time. Teams should come dressed to participate.

Medical: Orthopedic Physicians Alaska (OPA) is the official ASAA State Championships Medical provider. They will be onsite during the entire championship tournament to help provide medical help for injuries. Each team must provide all their own materials and supplies - including tape - if athletes are going to be taped. ASAA's official concussion protocol supervision team is OPA. OPA will run their tests on athletes with suspected concussions and if they conclude there is a suspected concussion, that player will not be able to return to play without going through the concussion return to play protocol. Team doctors, physicians, etc will not be able to over rule an OPA suspected concussion case, ASAA will be taking OPA's conclusion.

Coaches: Only certified coaches listed on the School Activities Reporting System (SARS) will receive a pass. Coaches must have on their person the pass while on the bench. If not the school will be fined \$25.
