Match Format: Main bracket matches will be the best 2 out of 3 sets, regular scoring, with a 10 point match tie-breaker deciding the third set. Elimination bracket matches will be 4 game sets with regular tie-breakers starting at 4-4. Competitors will switch sides after every 6 points in all tie-breakers. The Championship Match (#16) will be the best 2 out of 3 sets with a full third set. The if match (#17) all be a short set to 4 with a 10 point tie-breaker.

Seeding: A seeding committee made up of individuals (non-coaches) knowledgeable in high school tennis will be appointed by ASAA. Each coach will submit a seeding form (online) for any possible seeded athletes. Under normal circumstances two competitors per division will be seeded. However, up to four competitors per division may be seeded. The rest will be randomly drawn into the bracket. Seeding will be conducted in general accordance with ASAA Tennis State Tournament Seeding Guidelines.

Scoring: The top five places for each event will be scored. The total points will determine the state championship team and runner up.

Substitution: In the event a qualified contestant is unable to compete due to extenuating circumstances (illness, injury, ineligibility), it is the responsibility of the school of the indisposed contestant(s) to notify ASAA, by 4:00pm on Tuesday, October 3rd. Once notified ASAA will invite the next qualifier from that region. After the deadline, if someone is not able to compete, that spot will not be filled.
