EIGHTH GRADE STUDENT ELIGIBILITY FOR VARSITY

Per ASAA Handbook Article 12, Section 2, E, 3a:
There were thirty (30) or fewer students, or fifteen (15) or fewer students per gender, enrolled in grades 9-12 during the previous school year's October student count as reported to the Department of Education and Early Development (DEED) or that there were fifty (50) or fewer students, or twenty-five (25) or fewer students per gender, enrolled in grades 9-12 during the previous school year's October student count as reported to the Department of Education and Early Development (DEED), and that the school is conducting two (2) or more team sports which seasons overlap for more than six (6) weeks. If the current school year's October count is lower than the previous year's, it may substitute as the official count for purposes of this section.

Verification:
I request that enrolled 8th grade students be allowed to participate under the provisions of Article 12, Section 2, and I understand that those 8th graders will not count in the high school's enrollment for classification purposes.

Please complete this form and attach a list of eligible 8th grade students who wish to participate. All students should be entered into the School Activities Reporting System.
