WAIVER OF COACHES CERTIFICATION REQUIREMENT

The ASAA Coaches Education Program requires that all high school level coaches who have direct supervision of students be certified within two weeks of the beginning of their season. This may include head coaches and assistant coaches at all levels, as well as non paid coaches and coaches of outsourced programs. If requested by the school, ASAA Executive Director may grant to a coach, one-time only, a waiver of the certification requirement. The waiver is good only until the completion of the current sports season and will not be granted without the successful completion of the NFHSlearn Concussion Awareness, Sudden Cardiac Arrest and Protecting Students from Abuse courses.
