Section 1 – Amateur Athletes

B. A student-athlete forfeits amateur status and eligibility in a sport sanctioned by the Association by:

1. entering into a competition for which the student-athlete is either paid to participate or is competing to win monetary compensation (allowable travel, meals and lodging expenses may be accepted): or
2. receiving any award, merchandise or prize whose aggregate value exceeds \$1000 for a specific event or tournament, unless such award has been approved by the school's principal for an event or tournament sanctioned by the school or Association (this section does not apply to awards given by the Association); or
3. capitalizing on athletic fame by receiving money or gifts of monetary value in exchange for endorsements, participation in commercials, advertisements or the like in affiliation with the student's school team, school, ASAA Region or ASAA (scholarships paid directly to institutions of higher learning are specifically exempted). G. STATE CHAMPIONSHIPS

The ASAA Nordic Ski Championship is a single classification event in which all schools are entered and compete together. All schools that have Nordic ski programs are invited to send one boys team of six individuals and one girls team of six individuals. Schools can send less than a complete team if they wish. Schools may also send up to four adaptive skiers of each gender. Schools must notify ASAA by the deadline if they are bringing a Paralympic or a Sit skier. Team members will be selected by the head coach with no specific qualifying criteria other than normal ASAA eligibility rules.
