#### **FREQUENTLY ASKED QUESTIONS**

**1. What ASAA initiatives will MaxPreps data power?** MaxPreps is the Official Scores and Statistics Provider of the ASAA. 2. Where do I enter my roster, schedule, scores and stats? Each member school will enter their roster, schedule and scores into the MaxPreps platform to be displayed on your team pages. Each member school will then be responsible for updating their stats on MaxPreps after each game throughout the season. Instructions on how to enter a schedule, roster, etc., can be found on the MaxPreps support web site.

**3. What do Athletic Directors need to do?** Since ASAA member schools need to keep accurate stats on MaxPreps, the AD needs to ensure each team coaching staff has access to enter stats.
