

Track & Field Entry Procedures

Coaches beginning at 8 am on Monday May 24th until 9 am on Wednesday May 26th you can go to athletic.net and find ASAA State Meet and view your entries. If you have an athlete or relay that is needing to scratch all you need to do is click on that athlete or relay (check mark) which will turn them into a scratch (x mark) as well as changing the highlight color.

The next best 3 individuals and 2 relays are potential alternates (pending school administration approval) but we need to know by 9 am Wednesday if you accept the alternate status to help facilitate a smooth process. If we use one of them to fill a declared scratch by 9am Wednesday then the remaining 2 individuals and/or 1 relay would still be the only alternates allowed to be used if needed at the State Meet to fill an unexpected opening.

Please remember that only 1st place were automatic qualifiers and then the next best seeds were added. In high jump Division I has minimum heights of 5'6" and 4'6" with Division II being 5'4" and 4'4" unless the athlete was the winner at a lower height.

If you have any questions, please feel free to email nateturnerak@gmail.com or contact Rus at schreck@asaa.org.
