BASKETBALL TEAMS SCHEDULES

All schools that play basketball are required to have their boys and girls basketball schedule input into ASAA365.com. This must be accomplished by the first day of practice. If your schedule is not complete please input what is currently scheduled, and add newly scheduled games.

- By first day of practice schools are REQUIRED to have their boys and girls schedule input into ASAA365.com.
- Enter all scores on ASAA365.com from the previous week by Tuesday 7:00 PM for each week of the regular season.
- Enter all scores on ASAA365.com from the conference tournament by Sunday, 8:00 AM.
- School failing to met these mandates will be given a warning for the first offense, fined \$200 for the second offense, and then fined \$200 plus a deduction of .01 points from their final WPI for further violations.

In order for you to input your schedule you must have a SportsEngine Account. Please follow these steps:

- Go to ASAA365.com and click on the AD's Coaches Sign Up button on the top of the homepage.
- After clicking through, follow the easy steps of creating a SportsEngine account and filling out the Team Sign Up Form.
- Once you have your account, and filled out the Team Sign Up Form, ASAA will send you an email informing you that you now have permission to edit your team/s pages!
- Click the TRAINING button and that will bring you to videos on how to best use the site!

If you need help please call or email Isaiah Vreeman (isaiah@asaa.org & 907-375-4400). Be sure to watch the training videos available on ASAA365.com and the [ASAA365 HOW TO GUIDE](#). These items will help you with most questions you have.
