Sportsmanship Creed

"This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN—NOT A FANATIC."

HISTORY OF WRESTLING IN ALASKA

Wrestling in Alaska had its beginning in 1961. In those days, East High and West High were double shifting but no formal wrestling programs were in existence until Wally Smith agreed to coach an East team if Keith Johnson would coach a West team. Smith and Johnson introduced their teams during a halftime performance at a basketball game. The Eagles and Thunderbirds, clad in dyed longjohn underwear, wrestled Alaska's first dual meet with each school winning two matches.

Anchorage's first tournament was in 1962-63 and consisted of five teams—East, West, Palmer, Kenai, and Kodiak. Gary Bernardson replaced Wally Smith at East and coached for two years until Ron Lavalley took over. In 1967, Jerry Palmer assumed the Thunderbird helm. About this same time, Kent Hansen at Mt. Edgecumbe introduced wrestling to Southeast Alaska. Another program was also started at Seward.

Southcentral teams competed in the Western Alaska High School Association Tournament from 1962 until 1972. West Anchorage was a dominant team until 1969 when East Anchorage won three consecutive titles. During those years, larger schools were classified as AA and smaller schools as A.

Homer was the Division A winner in 1969, giving up the crown to Chugiak for 1970 and 1971.

Chugiak first began competing in wrestling in 1967 under the tutelage of Dick Kerbow and didn't waste any time becoming recognized as a top grappling school statewide.

The first Alaska State High School Wrestling Tournament was held at Service High School in 1972 with the first and second place regional winners in each weight competing from the two geographic regions of Alaska—Southeast and Southcentral. Fifteen schools from throughout Alaska were represented but no scores were kept, but it was noted that the Southcentral schools had eight champs to only four for the Southeast schools. The 1973 State Championship was held in Juneau, but again no team scores were kept.

In 1979, the state championships were divisionalized into small schools (Division I) and large schools (Division II). Then in 1985, the divisions were revised into classifications based on enrollments. At that point, any school under 400 students would wrestle for the 1A-2A-3A State Championships, while schools over 400 were 4A.

Is your future

going up in smoke?

What if someone offered you a highly addictive, slow-death poison that made you look foolish and insecure? Would you even THINK about trying it?

Cigarette smoke is loaded with toxins and hundreds of harmful additives. It contains much higher levels of carbon monoxide than car exhaust! And the price an average pack-a-day smoker pays to feed their addiction to these toxins is about \$300 a month!

If you are addicted to tobacco, it's never too late to quit. Please get help before your future goes up in smoke.

Tobacco is poison. For real.

SEASONAL CLASSIFICATIONS

(For two years, wrestling was split into two separate seasons. Schools were allowed to choose the season in which they wished to wrestle regardless of enrollment size. As a result, Region 5, the Kenai Peninsula, some smaller Region 3 schools and the Interior schools chose the fall season, while Regions 4, 6, and the Mat-Su Valley and Kodiak chose the spring season.)
