2013-2014 Debate Topic

NATIONAL HIGH SCHOOL POLICY DEBATE TOPIC

Latin America

Resolved: The United States federal government should substantially increase its economic engagement toward Cuba, Mexico or Venezuela.

Emerging from a 19th century dominated by European colonialism and a late 20th-century existence as a proxy battlefield for the Cold War, Latin America is arriving on the world scene in ways that are likely to reshape the international political landscape. This resolution focuses on the nations of Cuba, Mexico and Venezuela, each having its own unique dynamic which provides fertile ground for a year of debating. Cuba features a long-standing leftist government that will undergo a transition in the not too distant future, while Venezuela’s Hugo Chavez is fighting to hold onto power in his country. Mexico has a long-standing relationship with the United States but has seen a power shift back to the Institutional Revolutionary Party, which had run the country as effectively a single-party state for seven decades. Because of the prevalence of Mexico in the news and Cuba in the study of American history, novice debaters should be able to make their entry into the topic relatively easily, while issues related to indigenous peoples and deeper discussions of capitalism will provide fertile educational ground for advanced and kritik-oriented debaters. Affirmative cases may examine the role of embargoes and sanctions, remittances from immigrants, foreign assistance and issues regarding the drug economies. Negative arguments may address the efficacy of foreign assistance, non-economically oriented solutions to issues raised by the affirmative, kritiks of capitalism, the state and the United States specifically and the effects of these policies on United States hegemony.

Over HALF of all teen driving deaths involve alcohol. Here are three sobering facts you will never see in a beer commercial:

- 80% of alcohol-related fatalities are caused by beer consumption
- 11,769 impaired drivers DIED in 2009, over 700,000 injured.
- ONE beer is the equivalent of a shot of 80 proof hard liquor.

Drive as if your life depends on it. It does!

2013 Drama Debate & Forensics Competition
SAFER KIDS—DRIVE A SAFER COMMUNITY

Last year our Driving Skills For Life program provided 11,975 teen drivers in the Northwest with the life-saving information and instruction they need to be safer on our roads. Educating teens to save lives—that’s what Driving Skills for Life is all about.

DID YOU KNOW?
- Vehicle crashes are #1 killer of teens
- 16-year-olds are 10 times more likely to be involved in a crash than an adult
- Additional passengers increase the risk of a fatal crash for 15- and 17-year old drivers
- You can learn more at DrivingSkillsForLife.com

WE’RE TEAMING UP!

Giving all Alaska students the opportunity to join in activities and reach their goals.

Thanks to our loyal customers and committed employees, ACC has grown to 35 retail stores throughout the state. Together with our meat processing plant, North Star Quality Meats, and our wholesale division, Pacific Alaska Wholesale, we strive to meet the food and merchandise needs of the communities we serve.

Sponsoring ASAA provides ACC with great opportunity to extend that same dedication to the youth of our villages.
