Command Performance at East High

Welcome to the 2013 ASAA / First National Bank Alaska State Solo & Ensemble Music Festival. This event effectively promotes high standards of musicianship.

The goal of this activity is to foster and inspire technical achievement, aesthetic understanding and critical listening skills. Essential to this process are students who are willing to grow; music educators who clearly visualize, interpret, and teach musicianship; and adjudicators who can provide thoughtful, accurate, and educationally sound reactions. The result is a vital interaction that remains one of the more exciting, enjoyable, and worthwhile events in high school music activities.

Students pre-qualify for participation at the State Solo and Ensemble Music Festival by receiving a "1" or "Superior" rating at a qualifying festival. For the 2013 State Solo & Ensemble Music Festival, there are 530 entries, a daunting number to be accomplished in a two day period. To perform at the Command Performance Concert on Tuesday evening, students must be nominated by the state adjudicator for each adjudicated section.

ASAA and our corporate partners join schools, music directors, private teachers, parents and communities in congratulating all high school instrumentalists and vocalists performing in this state culminating event. Years of dedicated hard work to develop your talents have paid off. Your challenge will be to not only perform to the best of your ability, but also to learn from the adjudicators and fellow students.

A heartfelt thanks goes to the University of Alaska Anchorage for contributing an exemplary facility to host the festival and to East Anchorage High School for contributing this phenomenal performance facility.

Cam Bohman,  
ASAA Music Festival Coordinator
