ASAA
ALASKA SCHOOL ACTIVITIES ASSOCIATION

Welcome to the Festival

Welcome to the 2013 ASAA/First National Bank Alaska All-State High School Music Festival.

Our Mission Statement: "The existence of this Music Festival enables outstanding high school musicians to participate as members of a select statewide band, choral or orchestra music ensemble and promotes the highest standards of musicianship. It is the goal of this activity to foster and inspire technical achievement, aesthetic understanding, and critical listening skills that allow for the culmination of a final creative musical performance of the highest artistic level."

Beginning with 862 individual auditions from 56 schools throughout the State of Alaska, the 348 students that you will see and hear this evening represent the finest of Alaska's young musicians. These accomplished young students, taught by 85 dedicated and equally capable school music directors, have gathered for three days of intense rehearsals with four outstanding professional conductors to provide this final concert for you. What a treat you have in store!

It is no small task when trying to gather the participants and to coordinate this weekend's rehearsals and concert. Many, many thanks go to those who have been involved in the process of getting these students from that first recording session to the stage of West Anchorage High School Auditorium in Anchorage, Alaska. Each of these students have been encouraged by a host of parents, music directors, private music teachers, adjudicators, peers, siblings, school administrations and school boards who all realize the power and influence that quality music can have in a young person's life. They have taken that extra effort to insure that this musical experience can continue for yet another generation of young musicians by presenting this concert this evening.

Thank you, thank you!

MUSIC VOLUNTEERS NEEDED

ASAA seeks volunteers to assist the ASAA MUSIC COORDINATOR with the two state music festivals held each year.

The ALL-STATE MUSIC FESTIVAL occurs during the third week in November. This festival showcases the finest of Alaskan musicians in four performing groups- the All-State Band, the All-State Mixed Choir, the All-State Orchestra and the All-State Treble Choir who perform in a Gala Concert after three days of intensive rehearsals with national conductors.

The STATE SOLO and ENSEMBLE MUSIC FESTIVAL occurs during the first week in May. This festival provides an opportunity for outstanding musicians who have received superior ratings at their individual regional music festivals to come to a state level music festival for further competition. One student from each musical category is then selected to perform in a Command Performance Concert at the end of the three day festival. Volunteers are needed for: adjudicators, accompanists, preparing packets for directors and students, room and door monitors, festival and concert set-up.

To volunteer or for more information, please contact Cam Bohman, ASAA Music Coordinator, at ASAA 563-3723, or at www.asaa.org.

Thank you for attending this evening's

GALA ALL-STATE MUSIC FESTIVAL CONCERT

We respectfully request that you remember the following theater concert etiquette so all might have an enjoyable, musical evening.

PLEASE

- No food or drinks in the auditorium
- Turn off your cell phones and pagers
- No cameras or videos are allowed on stage
- Do not take pictures during a performance:
- Group, first chair and candid pictures are available as indicated in the program and may be purchased after the concert

Wait and watch those around you and the conductor.

When the conductor turns around to face the audience, clap with enthusiasm.

If needed, exit between musical selections and/or groups.

- If you need to leave while a group is performing, exit only through the end doors at the rear of the auditorium.
- You may exit through all doors at the rear of the auditorium between groups.

Thank you for supporting our young, talented, Alaskan musicians!

GISELLE WYERS

GISELLE WYERS is Associate Professor of Choral Studies and Voice at the University of Washington, where she conducts the University Chorale and teaches courses in choral conducting and voice. University Chorale's debut CD, *Climb*, won third prize in the collegiate division of the American Prize for Choral Performance in 2012. University Chorale's 2008 performance of the Genesis Suite with Seattle Symphony was termed "brilliant" by the Seattle Times. Under her direction, University Chorale has enjoyed high profile performances for the President of Latvia as well

as the Crown Princess Victoria of Sweden. The chorus tours regularly; recent trips have taken them to San Francisco as well as Estonia, Finland and Latvia.

As a guest conductor, Wyers has led high school honor choirs in New York (Alice Tully Hall, Lincoln Center), Georgia, Connecticut, Washington, Alaska, and Vancouver, Canada. She has been asked to guest conduct semi-professional ensembles across the United States and in Europe, including the Chamber Choir of Europe in 2011. She conducted the ACDA NW Women's Honor Choir in 2012.

Wyers is a leading national figure in the application of Laban movement theory for conductors. Each summer she team-teaches choral conducting with James Jordan at Westminster Choir College. She has published two substantive articles on the subject, both published through GIA Publications in the textbooks *Music for Conducting Study* (Jordan/Wyers) and *The Conductor's Gesture: The Language of Movement* (Jordan/Wyers).

As a composer, Wyers is currently preparing numerous choral works for premieres. Her works are published by Santa Barbara Music Publishing Company as part of the "Giselle Wyers Choral Series." This series will feature works by Wyers and champions the works of other emerging composers. Her work "The Waking" was recorded by Choral Arts Ensemble on the Gothic Records label.

Wyers' dedication to exposing audiences to the music of contemporary American composers has led to publications in various national journals. She is especially interested in exploring how modern composers use music as a form of peace-making and social justice. "Waging Peace through Intercultural Art in Kyr's Ah Nagasaki," appears as the cover article of the May 2008 *Choral Journal*, and discusses how the act of creating and premiering a musical work can serve as a gesture of reconciliation between cultures.

Wyers holds a D.M.A. in conducting from the University of Arizona, where she studied with Maurice Skones, and minored in historical musicology with John Brobeck. She earned a master's degree from Westminster Choir College, where she founded the Greater Princeton Youth Chamber Orchestra, and a bachelor's degree.

Since 1993, he has also served as Music Director for the Chippewa Valley Symphony. Mr. Yasuda made his international conducting debut in Germany with Das Philharmonie Orchester des NDR-Hanover in May 2003. In March of 2004, he made his Japanese debut with the Osaka Philharmonic.

Mr. Yasuda has served as Acting Assistant Conductor for the Minnesota Orchestra and was Associate Conductor of the Grand Teton Music Festival. His performance of Milhaud's "Creation du monde" at the festival was broadcast on National Public radio, Performance Today in July 2001.

In addition to his active conducting and performing schedule, Mr. Yasuda is widely recognized as an icon of music in Eau Claire, Wisconsin, and the surrounding communities because of his dedication to education and contagious enthusiasm. Teamwork provides perfect backdrop for working at home in Alaska

I was born and raised in Alaska, and have come to appreciate the amazing natural beauty of the 49th state.

As a high school student, my future was just as uncertain as anyone else, but participation in ASAA activities helped point me in the right direction.

Teamwork, camaraderie, and dedication were valuable skills I learned through participation in East High School's tennis team.

Today, as a Guest Services Supervisor, I put those skills to use everyday. I'm proud to work for a company who sponsors ASAA, and their investment in the future of Alaska's youth.

ALASKA SCHOOL ACTIVITIES ASSOCIATION

WE'RE TEAMING UP!

Giving all Alaska students the opportunity to join in activities and reach their goals.

Thanks to our loyal customers and committed employees, ACC has grown to 35 retail stores throughout the state. Together with our meat processing plant, North Star Quality Meats, and our wholesale division, Pacific Alaska Wholesale, we strive to meet the food and merchandise needs of the communities we serve.

Sponsoring ASAA provides ACC with great opportunity to extend that same dedication to the youth of our villages.
