Sportsmanship Creed

"This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN—NOT A FANATIC."

Leading Alaska's active teens

At Providence, we believe that active teens become active adults – living happy, healthy lives. Kikkan Randall agrees. She grew up running, skiing and hiking around Alaska. Today, she's America's Olympic cross-country skiing star.

Providence supports Alaska's teens and role models like Kikkan Randall by providing programs and services that encourage healthy lifestyles for all Alaskans.

SAFER KIDS—DRIVE A SAFER COMMUNITY

Last year our Driving Skills For Life program provided 11,975 teen drivers in the Northwest with the life-saving information and instruction they need to be safer on our roads. Educating teens to save lives—that's what Driving Skills for Life is all about.

DID YOU KNOW?

- Vehicle crashes are #1 killer of teens
- 16-year-olds are 10 times more likely to be involved in a crash than an adult
- Additional passengers increase the risk of a fatal crash for 16- and 17-year old drivers
- You can learn more at DrivingSkillsForLife.com

Is your future

going up in smoke?

What if someone offered you a highly addictive, slow-death poison that made you look foolish and insecure? Would you even THINK about trying it?

Cigarette smoke is loaded with toxins and hundreds of harmful additives. It contains much higher levels of carbon monoxide than car exhaust! And the price an average pack-a-day smoker pays to feed their addiction to these toxins is about \$300 a month!

If you are addicted to tobacco, it's never too late to quit. Please get help before your future goes up in smoke.

Tobacco is poison. For real.

EVOLUTION OF SOCCER IN ALASKA

Prior to 2000, there was no ASAA sanctioned state soccer championship. Only schools in the Anchorage, Mat-Su, and Juneau school districts played soccer in the spring. Fairbanks schools played fall soccer. Starting in 1982, the Anchorage School District started hosting a State Invitational in which they invited other schools, which had good winning records to an end-of-the-season tournament.

By the end of the 1990, all the schools on the Kenai Peninsula had started high school soccer programs along

with Grace Christian in Anchorage. The growth of the interscholastic soccer programs to 20 schools in three regions warranted a state-level culminating activity. In 2000, ASAA sanctioned an eight-team boys and girls state championship. Three berths were allotted to Region 3 (Kenai, Mat-Su, Grace), one berth to Region 5 (South-east), and four berths to Region 4 (Anchorage). Starting in 2006, the Fairbanks high schools moved their soccer season from the fall to the spring. The received one state berth leaving Anchorage with three berths.

The inaugural ASAA/First National Bank Alaska Soccer State Championships was held at two adjoining fields at Skyview High School in May 2000. Anchorage hosted the 2001 tournaments, and then Wasilla hosted the next three years. After its turn in the valley, the tournament moved back to Anchorage with use of the Anchorage Football Stadium. In 2010 for the first time the tournament was held off the road system in Juneau.

WE'RE TEAMING UP!

Giving all Alaska students the opportunity to join in activities and reach their goals.

Thanks to our loyal customers and committed employees, ACC has grown to 35 retail stores throughout the state. Together with our meat processing plant, North Star Quality Meats, and our wholesale division, Pacific Alaska Wholesale, we strive to meet the food and merchandise needs of the communities we serve.

Sponsoring ASAA provides ACC with great opportunity to extend that same dedication to the youth of our villages.

Alaska Commercial Company, serving rural Alaska since 1867

Playing a beautiful game for almost a century

One of the beauties of a well-played soccer match is the pace, a kind of waiting game back-and-forth that leads to scoring goals at opportune times. A winning team relies on patience and smarts much like the banking experts at First National Bank Alaska have done for almost a century.

For more than 20 of those years, First National has supported the state's students through its title sponsorship of all Alaska School Activities Association (ASAA) championship events.

As we move forward, First National will continue to help Alaskans get a kick out of making financial dreams grow.

**Best of luck to all the
2013 ASAA/First National
Soccer State Championship
participants.**
