Welcome to the Festival

2014 Solo & Ensemble Music Festival
May 9th & 10th, 2014
Festival Adjudications at UAA
Command Performance at East High

Welcome to the 2014 ASAA / First National Bank Alaska State Solo & Ensemble Music Festival. This event effectively promotes high standards of musicianship.

The goal of this activity is to foster and inspire technical achievement, aesthetic understanding and critical listening skills. Essential to this process are students who are willing to grow; music educators who clearly visualize, interpret, and teach musicianship; and adjudicators who can provide thoughtful, accurate, and educationally sound reactions. The result is a vital interaction that remains one of the more exciting, enjoyable, and worthwhile events in high school music activities.

Students pre-qualify for participation at the State Solo and Ensemble Music Festival by receiving a “I” or “Superior” rating at a qualifying festival. For the 2014 State Solo & Ensemble Music Festival, there are 510 entries, a daunting number to be accomplished in a two day period. To perform at the Command Performance Concert on Saturday evening, students must be nominated by the state adjudicator for each adjudicated section.

ASAA and our corporate partners join schools, music directors, private teachers, parents and communities in congratulating all high school instrumentalists and vocalists performing in this state culminating event. Years of dedicated hard work to develop your talents have paid off. Your challenge will be to not only perform to the best of your ability, but also to learn from the adjudicators and fellow students.

A heartfelt thanks goes to the University of Alaska Anchorage for contributing an exemplary facility to host the festival and to West Anchorage High School for contributing this phenomenal performance facility.

Cam Bohman,
ASAA Music Festival Coordinator

2014 Solo & Ensemble Music Festival 15
I was born and raised in Alaska, and have come to appreciate the amazing natural beauty of the 49th state.

As a high school student, my future was just as uncertain as anyone else, but participation in ASAA activities helped point me in the right direction.

Teamwork, camaraderie, and dedication were valuable skills I learned through participation in East High School’s tennis team.

Today, as a Guest Services Supervisor, I put those skills to use everyday. I’m proud to work for a company who sponsors ASAA, and their investment in the future of Alaska’s youth.

- Jonathon Taylor

**Here’s the definition of “one for the road.”**

Over **HALF** of all teen driving deaths involve alcohol! Here are three sobering facts you will never see in a beer commercial:

- **80%** of alcohol-related fatalities are caused by beer consumption
- **11,769** impaired drivers **DIED** in 2009, over 700,000 injured.
- **ONE** beer is the equivalent of a shot of 80 proof hard liquor.

Drive as if your life depends on it.  
*It does!*

Leading Alaska’s active teens

At Providence, we believe that active teens become active adults – living happy, healthy lives. Kikkan Randall agrees. She grew up running, skiing and hiking around Alaska. Today, she’s America’s Olympic cross-country skiing star.

Providence supports Alaska’s teens and role models like Kikkan Randall by providing programs and services that encourage healthy lifestyles for all Alaskans.

Providence – you have our word.
