Welcome From ASAA

Welcome to the 2014 First National Bank Alaska State World Language Declamation competition. The staff at ASAA joins our schools, coaches, parents and communities in congratulating all the students who have qualified for this state culminating event. Speaking and listening skills that have been honed through learning a second language will be a valuable asset as these students further their education and enter the competitive world of work. Co-Directors Chris Rees and Angie Nishimura, along with the staff

at East Anchorage High School, have been working diligently to prepare for this annual championship competition. They, along with many volunteers from the Anchorage area, deserve your sincere thanks.

Culture Trivia

Students take a 50-question test based on the cultures of their target language. Most of the multiple choice questions are taken from Teachers Discovery Culture Trivia. Students in 1st and 2nd levels take the test in English, while 3rd and 4th level students take the test in their target language.

Poetry Recitation

Students memorize and deliver classic and contemporary poems in their target language. They recite two poems -one required and one alternate of their choice from an approved list. Students are judged on memorization, pronunciation, delivery and expression.

Dialogues & Impromptu

Students use their knowledge and language skills to respond to real-world questions. After each student or pair of students (for dialogues) selects a different question, they have two minutes to prepare. This contest is a true test of a student's fluency and spontaneity in the target language.

Teamwork provides perfect backdrop for working at home in Alaska

I was born and raised in Alaska, and have come to appreciate the amazing natural beauty of the 49th state.

As a high school student, my future was just as uncertain as anyone else, but participation in ASAA activities helped point me in the right direction.

Teamwork, camaraderie, and dedication were valuable skills I learned through participation in East High School's tennis team.

Today, as a Guest Services Supervisor, I put those skills to use everyday. I'm proud to work for a company who sponsors ASAA, and their investment in the future of Alaska's youth.

Here's the definition of "one for the road."

Over **HALF** of all teen driving deaths involve
alcohol! Here are three sobering facts you
will never see in a beer commercial:

- 80% of alcohol-related fatalities are caused by beer consumption
- 11,769 impaired drivers **DIED** in 2009, over 700,000 injured.
- **ONE** beer is the equivalent of a shot of 80 proof hard liquor.

Drive as if your life depends on it.
It does!
