Sportsmanship Creed

"This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN—NOT A FANATIC."

- 11,769 impaired drivers **DIED** in 2009, over 700,000 injured.
- **ONE** beer is the equivalent of a shot of 80 proof hard liquor.

Teamwork provides perfect backdrop for working at home in Alaska

I was born and raised in Alaska, and have come to appreciate the amazing natural beauty of the 49th state.

As a high school student, my future was just as uncertain as anyone else, but participation in ASAA activities helped point me in the right direction.

Teamwork, camaraderie, and dedication were valuable skills I learned through participation in East High School's tennis team.

Today, as a Guest Services Supervisor, I put those skills to use everyday. I'm proud to work for a company who sponsors ASAA, and their investment in the future of Alaska's youth.

Evolution of Soccer in Alaska

Prior to 2000, there was no ASAA sanctioned state soccer championship. Only schools in the Anchorage, Mat-Su, and Juneau school districts played soccer in the spring. Fairbanks schools played fall soccer. Starting in 1982, the Anchorage School District started hosting a State Invitational in which they invited other schools, which had good winning records to an end-of-the-season tournament.

By the end of the 1990, all the schools on the Kenai Peninsula had started high school soccer programs along

with Grace Christian in Anchorage. The growth of the interscholastic soccer programs to 20 schools in three regions warranted a state-level culminating activity. In 2000, ASAA sanctioned an eight-team boys and girls state championship. Three berths were allotted to Region 3 (Kenai, Mat-Su, Grace), one berth to Region 5 (South-east), and four berths to Region 4 (Anchorage). Starting in 2006, the Fairbanks high schools moved their soccer season from the fall to the spring. The received one state berth leaving Anchorage with three berths.

The inaugural ASAA/First National Bank Alaska Soccer State Championships was held at two adjoining fields at Skyview High School in May 2000. Anchorage hosted the 2001 tournaments, and then Wasilla hosted the next three years. After its turn in the valley, the tournament moved back to Anchorage with use of the Anchorage Football Stadium. In 2010 for the first time the tournament was held off the road system in Juneau.

**Is your
future**

going up in smoke?

What if someone offered you a highly addictive, slow-death poison that made you look foolish and insecure? Would you even THINK about trying it?

Cigarette smoke is loaded with toxins and hundreds of harmful additives. It contains much higher levels of carbon monoxide than car exhaust! And the price an average pack-a-day smoker pays to feed their addiction to these toxins is about \$300 a month!

If you are addicted to tobacco, it's never too late to quit. Please get help before your future goes up in smoke.

Tobacco is poison. For real.

WE'RE TEAMING UP!

Giving all Alaska students the opportunity to join in activities and reach their goals.

Thanks to our loyal customers and committed employees, ACC has grown to 35 retail stores throughout the state. Together with our meat processing plant, North Star Quality Meats, and our wholesale division, Pacific Alaska Wholesale, we strive to meet the food and merchandise needs of the communities we serve.

Sponsoring ASAA provides ACC with great opportunity to extend that same dedication to the youth of our villages.
